a talk with ULLI LOMMEL

By Ramsey Steele

Prolific filmmaker Ulli Lommel has been making movies for nearly 40 years, first in his native Germany, then for a brief time in New York and, for the past three decades, in Hollywood. *Celebrity Skin's* Ramsey Steele recently spoke with the affable, L.A.-based Lommel about his latest wave of low-budget movies about serial killers, and his fascinating career, which has included collaborations with Rainer Fassbinder, Andy Warhol, Richard Hell and *The Voidoids* and *The Living Theater*.

CELEBRITY SKIN: A good morning to you, Mr. Lommel.

ULLI LOMMEL: Good morning. You're in New York, I'm told.

SKIN: I am indeed. It's another rainy day in New York City. You're in L.A., yes?

LOMMEL: Yes, I am. I took a walk at sunrise a couple of hours ago and now I'm home.

SKIN: Sounds like you're feeling no pain. I know you've spent some time in New York.

LOMMEL: Oh, yes, yes. When I first came to America in the late Seventies, I was there for a few years.

SKIN: When you were part of the whole Andy Warhol/Studio 54 crew.

LOMMEL: Exactly. That was from '77, '78 through 1980. I came to New York because I was at the Chicago Film Festival, where I showed my film *The Tenderness of Wolves*, (1973) and Andy Warhol really loved it. He asked me what my next movie was going to be and I really didn't have one in mind. So I quickly came up with an idea at dinner and he said, 'Let's make this movie,' and I came to New York.

SKIN: In only a couple of years you went from working in Germany with Fassbinder to making movies in New York with Warhol. Backtrack a bit and tell us a little about your

extensive collaborations with Fassbinder. You two worked quite closely?

LOMMEL: His first movie, *Love Is Colder Than Death* (1969), I actually produced it; because I sold my sports car to make money so he could make the movie. It did well in the festivals and the rest is history.

SKIN: The two of you worked on more than a dozen films together in less than 10 years.

LOMMEL: I also introduced Fassbinder to [cinematographer] Michael Ballhaus. He had made a couple of movies with me and Fassbinder, and when I came to America, I called Ballhaus and told him to come over. He stayed at my house in L.A. for about a year and started his Hollywood career. He just did *The Departed* last year.

SKIN: Okay, back to Warhol. He associate-produced your film *Blank Generation* (1980) with Richard Hell of *The Voidoids*, one of the earliest punk rock films.

LOMMEL: It's funny that *Blank Generation* just opened theatrically two years ago in Japan, 25 years after it was made, and it was very successful. Some things take time.

SKIN: And then you took what has to be considered a very radical turn with *The Boogeyman* (1980).

LOMMEL: Oh, yeah. We finished shooting

The Boogeyman in late '79 in Maryland. I took the negative and put it in my car and my wife of the time and I drove cross-country. We arrived in Los Angeles and checked into the Tropicana Motel, which doesn't exist anymore, and I checked the Yellow Pages and got an editing table and finished editing the movie. On Labor Day Weekend in 1980 the movie came out and it was the number one movie for four weeks.

SKIN: And this began when you decided to drive your car across the country and sell the film to a studio?

LOMMEL: Yes, exactly.

SKIN: *The Boogeyman* was actually banned in certain countries in Europe, wasn't it?

LOMMEL: It was. It originally got an X rating and we were supposed to take out 20 minutes. We did, and we got an R

rating, and then we put it right back in. So the movie that played in all the drive-in theaters and everywhere had that footage, anyway.

SKIN: That was the beginning of a very, very prolific Hollywood output.

LOMMEL: I was very busy, yes. Then we did *BrainWaves* (1983) with Tony Curtis, and *The Devonsville Terror* (1983) with Donald Pleasence, and one movie after the other. The last few years, we've been doing all these Lionsgate movies. I think I must have done more than a dozen in three years.

SKIN: And you launched your own production company a couple of years back, Hollywood House of Horror.

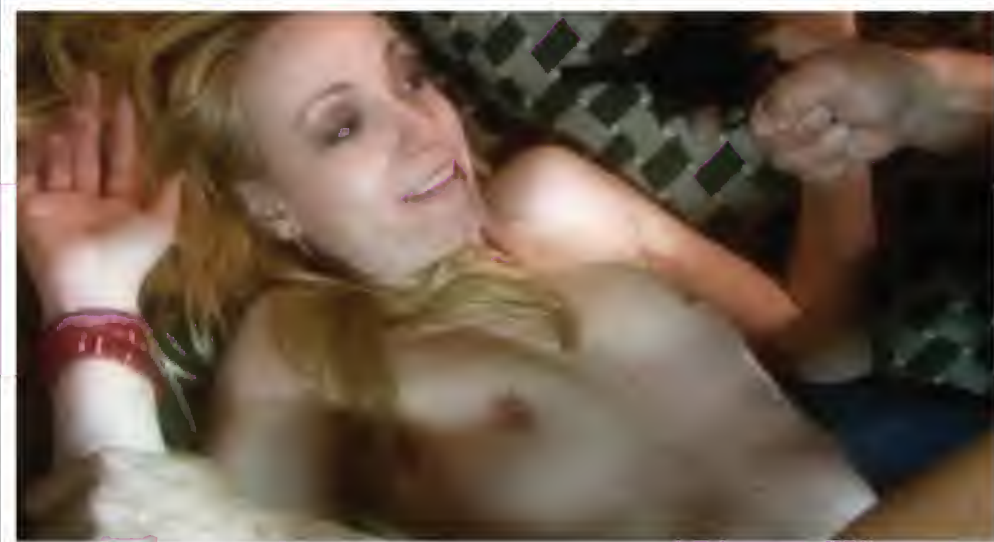

LOMMEL: In Marina del Rey. We have a whole group of people, a repertory group, and a crew of people who make the movies. In November of last year, we were in production on four movies at the same time.

SKIN: Is this the kind of moviemaking you anticipated you would be doing at this point in your career?

LOMMEL: I always want to do something like this. Before Fassbinder, I spent some time as an actor with The Living Theater and then other repertory companies. I always wanted to do something like that, have my own company, where we would all eat together, travel together, work together, create together. I come from a theater background and it's the way I like to work. I really don't have any hobbies or anything—all I do is make movies.

SKIN: You don't see that kind of working relationship very often with American filmmakers these days.

LOMMEL: Andy Warhol did it; it's very unique. You know, Ingmar Bergman had his own crew, his own people. I thought it was so cool when Ingmar Bergman said, "Yes, I've always been working with 16 of my friends," and then David Lean said, "Yeah, and I've been working with 10 or 15 of my enemies."

SKIN: And of late, you've been making a whole bunch of serial killer films that are being distributed by Lionsgate, most recently *Borderline Cult* (2007), *Curse of the Zodiac* (2007), *Black Dahlia* (2006), *Green River Killer* (2005), *B.T.K. Killer* (2005) and *Zodiac Killer* (2005). Is it fair to say that you're fascinated by serial killers?

LOMMEL: I don't think I'm fascinated by them, but I like the fact that we're never able to figure out exactly what drives serial killers to do what they do. It gives you a lot of room to explore the topic from different angles. And it's so much fun shooting all this violence, with the special effects and all, and everybody's laughing and having a ball on the set. But I don't like to watch the movies when they're done—I just like to make them. But when they're done, they have a life of their own and I find them disturbing and scary.

SKIN: Your leading ladies in these films are quite a game group of actresses.

LOMMEL: It really is like a repertory group. Elissa Dowling, who is the lead in *Black*

Dahlia, also appeared in *Borderline Cult* and *The Raven*. Victoria Ullman and Nola Roeper are also very prominent in my films.

SKIN: Do they ever think you're going too far with your stylized subject matter?

LOMMEL: Oh, they're game. They want to do more and more. When we're making the movies, it's just so much fun and we're such an intimate group of people. Editing them—that's where it becomes scary. I actually am planning to go into movies that are more love story driven.

SKIN: Romantic comedies?

LOMMEL: No—more like dramas and love stories about growing up. My next movie stars Davida Williams and it's called *I Love You*. So, I'm doing a bit of a twist, you might say.

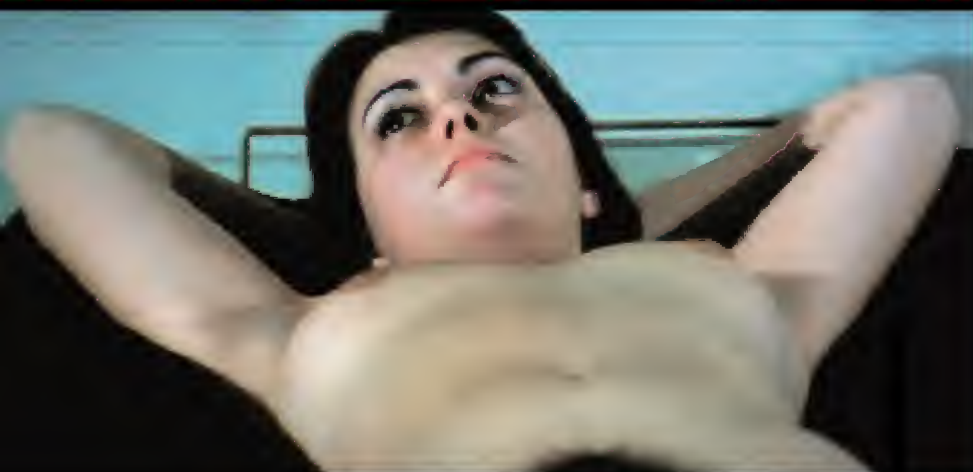

SKIN: Only in Hollywood, hmmm?

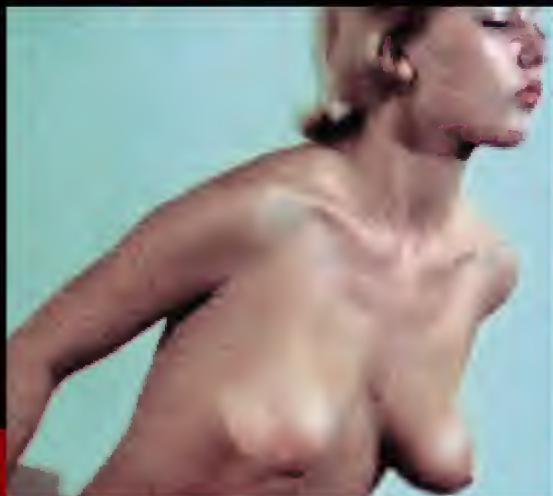

LOMMEL: Yes, that's Hollywood and that's why I've lived here for almost 30 years now. Hollywood is everything from the worst to the best to the very best. There is no Hollywood—it's whatever you make of it.

WOMEN BEHIND BARS

BY VENUS MACUMBA

Audaciously amorous auteur Jess Franco directs his wife/muse Lina Romay in *Women Behind Bars* (1975), an erotic endurance test that is a veritable *A Man Called Horse* of the ladies-on-lockdown genre. Lina falls victim to Sapphic rites of passage, torture, rape, bondage and, yes, her own devious desires in this prurient prison classic! Lina (below) and fellow fox Martine Stedil (opposite page, left column) do their best to escape prison aesthetically—by spending the bulk of the film out of their jail-issued uniforms! Lights out...? Not so fast!

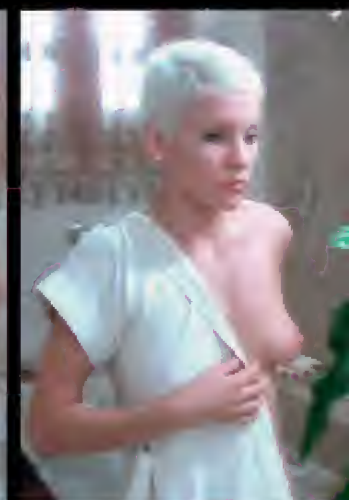

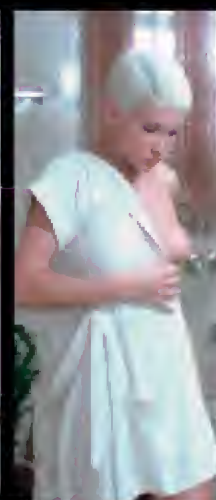

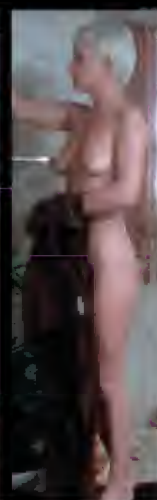

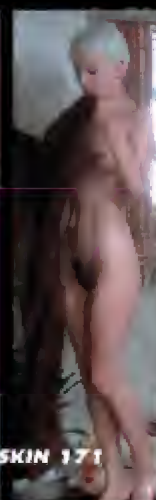

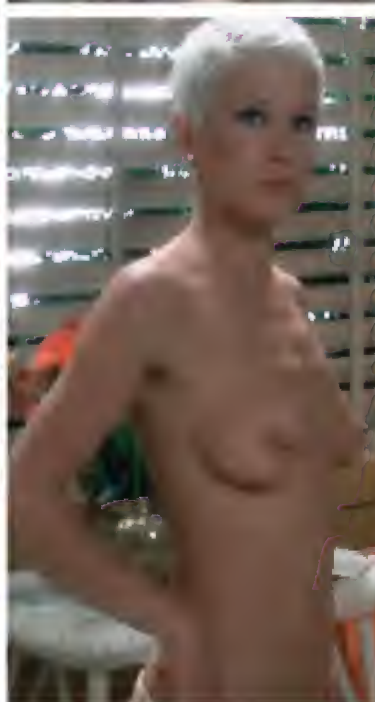

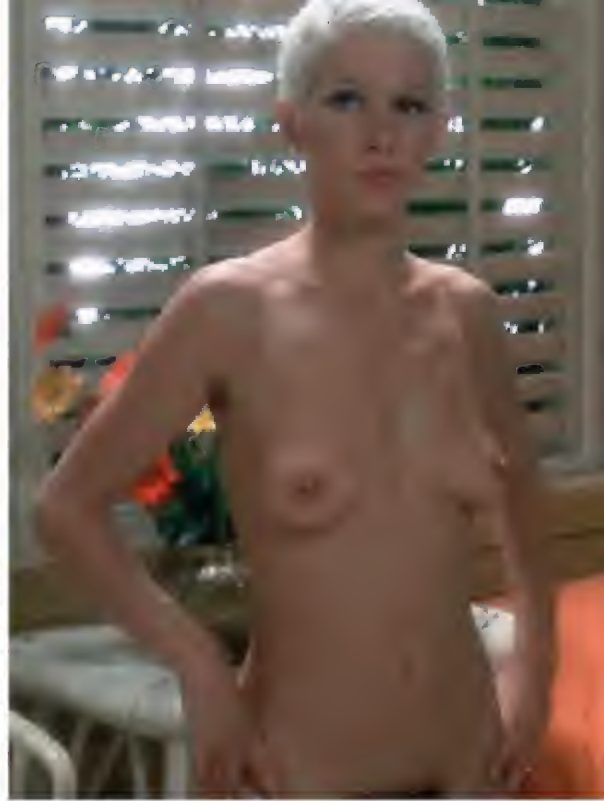

BY ROBERTO MICALIZZI

Laure

What sets this new-to-DVD epic apart from its sexploitation peers is that it was supposedly written by and starred the "real Emmanuelle," beautiful Emmanuelle Arsan (below, with long, black hair). But the real treasure here is blonde Annie Belle, whose angelic face and devilish body bring the titular character of Laure to lusty life for a new legion of fans.

BROOKE HOGAN

BORN: May 5, 1988, Tampa, Florida

SEXY SIGHTINGS: It's tough being Hulk Hogan's daughter, but bleach-blond bombshell Brooktini (her big papa's tender nickname for her) makes it look easy! Indeed, she's got that hulk of a man wrapped around her finger in that way that only Daddy's Little Girl can, and on their hit real-life, day-to-day-family-affairs series, *Hogan Knows Best*, Hulk can always be seen eagerly supporting his dimpled daughter's burgeoning singing career. Brooke's album, *Undiscovered*, has her hittin' the malls of America to sing her sweetly sexy singles and show that her father's not the only Hogan who dresses to impress!

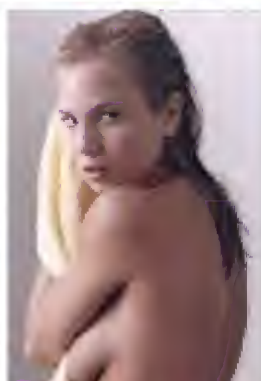

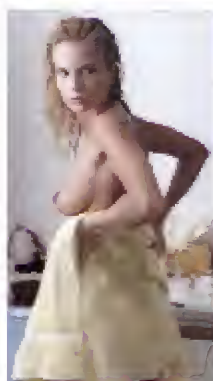

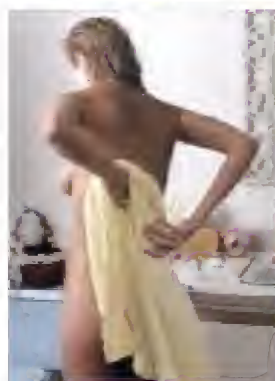

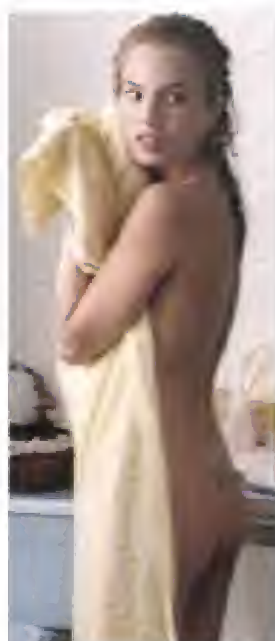

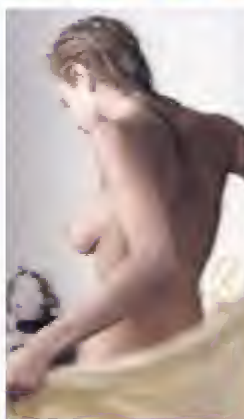

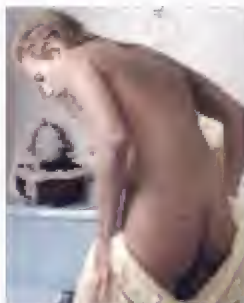

HOGAN BARES FLESH: Taking cues from Mom and Dad, Brooke's already become notorious for her stripper-esque stylings, but with a body as tan and curvaceous as Brookie's, we'd have nooky on the brain if she were wearing a sack!

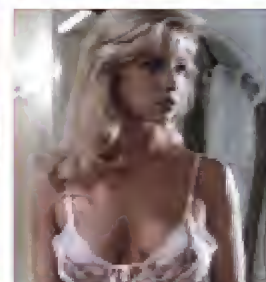

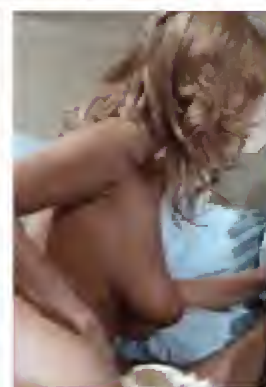

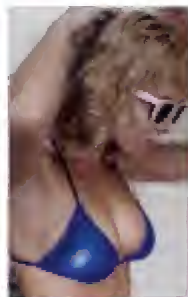

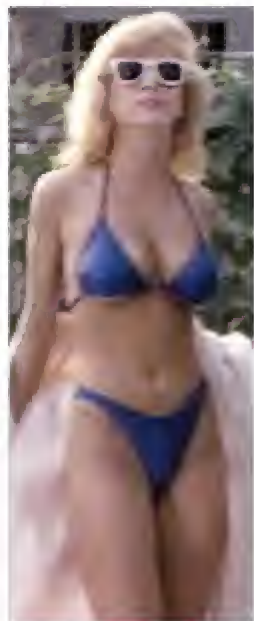

TRACI LORDS

BORN: May 7, 1968, Steubenville, Ohio

SEXY SIGHTINGS: The world's favorite formerly underage porn princess is one of the few and the proud when it comes to making the tricky transition from *cumming in* a theater near you to *coming to* a theater near you! Having the unique distinction of acting with both Johnny Wadd and Johnny Depp, Traci really earned her cinematic bones! In *Not of This Earth* (1988, this page), Lords shows off her real-deal girly gourds playing Nadine Story, a nurse serving a hypnotized doctor who provides blood to vampire aliens! Though she's in charge of a blood bank, Traci would make a more ideal sperm-bank!

RACY TRACI: In *Novel Romance* (2006, *this page*), brunette Traci lets her costar “juggle” her fuckable jugs! As Max Normane, Traci plays the head bitch at a literary magazine—skilled at readin’, writin’ and “lick-ya-dick!”

PARKER POSEY

BORN: November 8, 1968, Baltimore, Maryland

SEXY SIGHTINGS: Parker came to fame as the ultimate easygoing "club cooze" in *Party Girl* (1995, this page above and below, left). With her chestnut mane, 100% organic tittles and quotes like, "So where's the Lebanese delight?" Parker's acerbic come-on and wry wit have made her a queen of the Indies, and she just keeps getting better—most of all when she's wetter! In *The Misadventures of Margaret* (1998, bottom left and right), Posey's perky, little nips get plenty rosy as she takes boozy soaks and tries to write erotica in France. Meanwhile, you'll be erecting an Eiffel Tower in your pants!

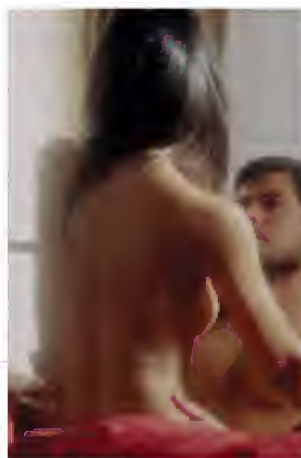

PORKABLE PARKER: In *The Anniversary Party* (2001, this page), Parker gets wild, wet and wanton at a swank shindig spiked with Ecstasy and Innuendo! Her Sapphic swim with costar Jane Adams will have you gushing your own waves!

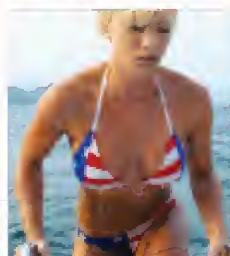

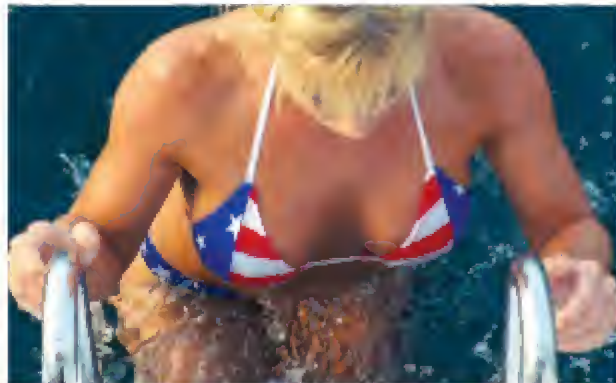

EMMANUELLE CHRIQUI

BORN: December 10, 1977, Montréal, Québec, Canada

SEXY SIGHTINGS: Since her last name's pronounced "Shreeky," no wonder we ogle this ebony-haired angel—and think long and *hard* about gettin' *freaky*! Of Moroccan descent, this Jewish *jazz-maker* made us *rise* with her creamy thighs in *Deceit* (2006, spread), a psychological thriller. Emmanuelle plays a wanton wife who enters into a sizzling affair with her husband's former best bud. Money and lust are in constant play during *Deceit*, in scenes evocative of both *Body Double* and *Basic Instinct*. With a legendary softcore diva's first name, this is one *cooze-a-licious* Canuck we'd love to fuck!

JAIME PRESSLY

BORN: July 30, 1977, Kinston, North Carolina

SEXY SIGHTINGS: She says she "hates" doing love scenes, but in *DOA: Dead or Alive* (2006, above and below caption), this southern sexpot's country ham-sized hooters look so perky and suckable, it's hard to believe she wouldn't do a man or two for the red, white and blue! This movie adaptation of the hit video game stars "Lay-Me" Jaime as Tina Armstrong, a tough-as-nails pro wrestler who suggests, when presented a group of 300 men: "Why don't we just split 'em up evenly?" In *Poison Ivy: The New Seduction* (1997, bottom), "J.P." picks up where Drew Barrymore left off—with us fully erect!

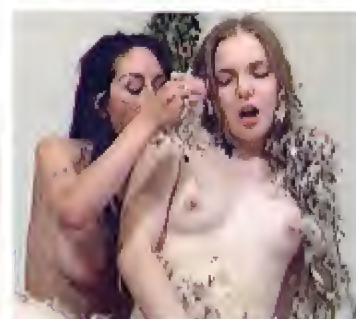

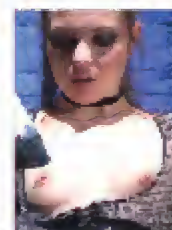

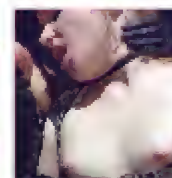

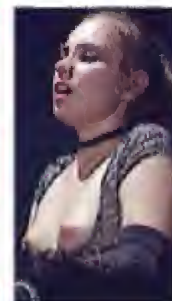

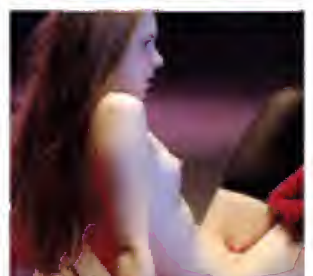

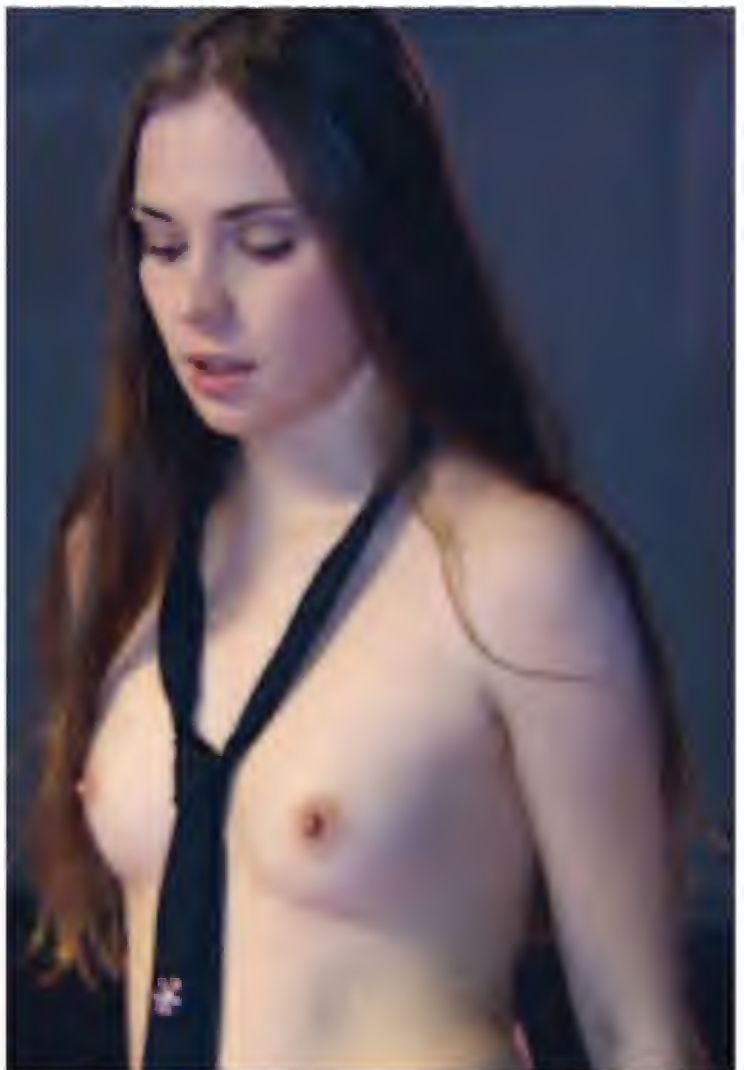

MISTY MUNDAE

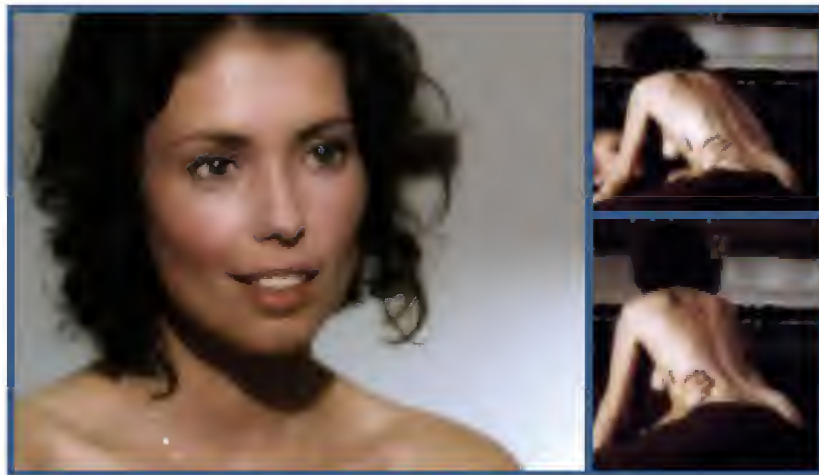

BORN: October 16, 1979, East St. Louis, Illinois

SEXY SIGHTINGS: Born Erin DeWright and also known as Erin Brown, Misty makes us wanna get frisky as she gets very "fisty" with her let-it-all-hang-out performance in *The Erotic Diary of Misty Mundae* (2004, spread). She pillowfights with her sizable muff on bulge-inducing display, gets girl-on-girl in a pile of confetti, seemingly fellates a gun—and eats pussy like she's on a *high-cooze diet*! With Darian Cane as "Fantasy Girl 1"—and the ultra-fuckable AJ Khan as "Love Goddess"—Misty's diary speaks volumes to your hyperactive thrill-quill until your wrist gets carpal tunnel syndrome!

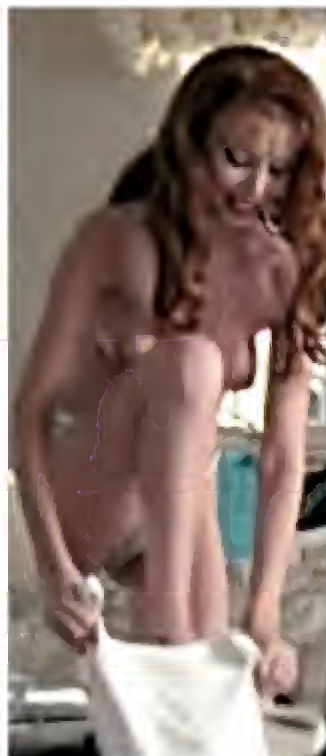

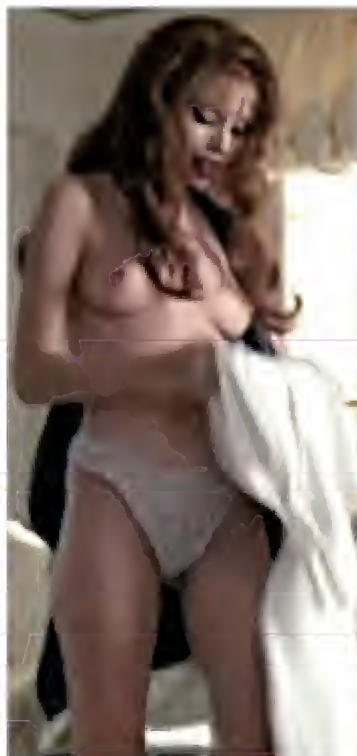

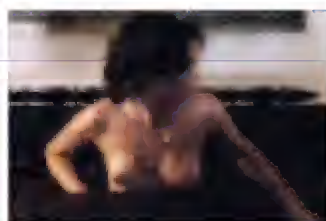

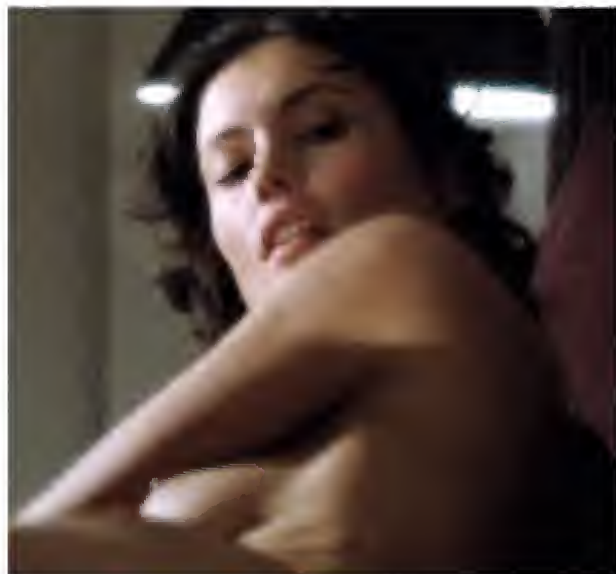

TRYSTY MISTY: Known for her all-natural-snatch appeal and unaffected style, clad in nothing but tights, a tie (and a plaid schoolgirl's kilt for about 10 seconds), Misty looks so hot for teacher—she'd make any student study hard!

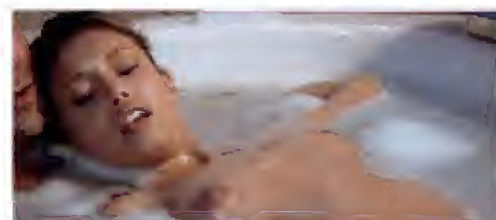

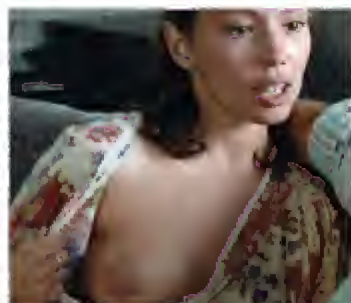

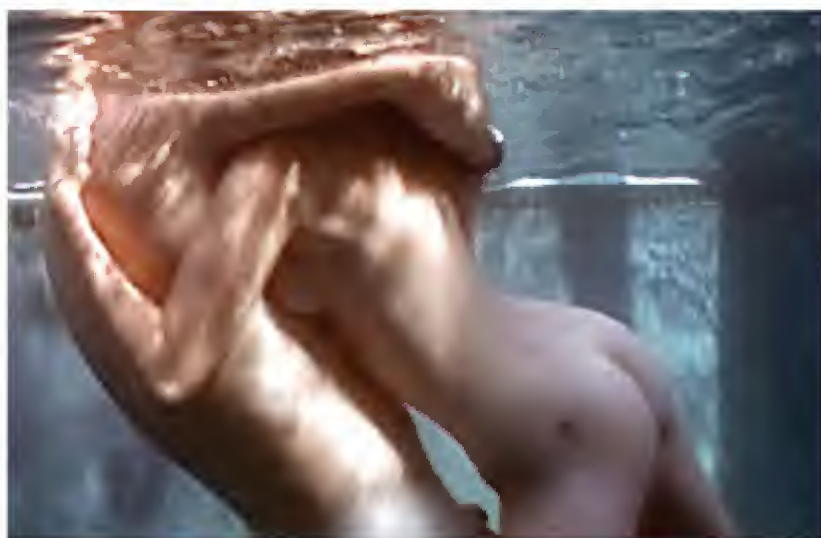

JANE MARCH

BORN: March 20, 1973, Edgware, London, England, UK

SEXY SIGHTINGS: Before we worshipped Angelina's full, plush, pussy-like mouth, there was Jane March and her luscious, plump, *smooshable* smackers—the kind of lips that bring sack-attack blowjobs to mind upon sight! Although she used five body doubles for her scenes in *L'Amant* (1992), this mega-erotic “Sinner From Pinner” is all grown up now—and not afraid to reap *cockpliments* for her highly sensual performances! In *The Stone Merchant* (2006, above and below caption), a film about Islam and terrorism, Jane plays Leda—who could definitely be a *boner* merchant!

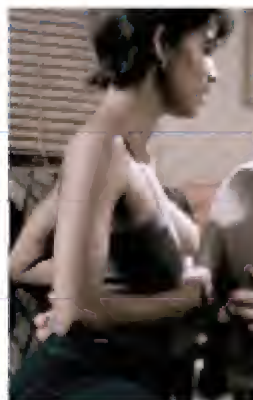

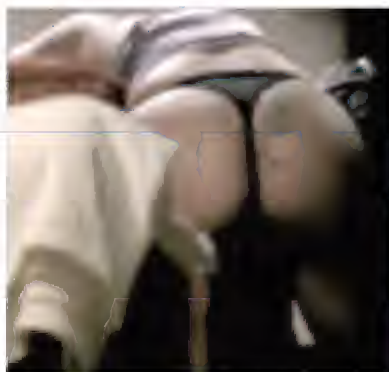

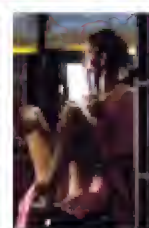

SHOW VEIN FOR JANE: In *Color of Night* (1994, opposite, bottom, and this page) March is a nympho whose mamms and pump-worthy posterior are on nonstop display! When she orgasms, so will you—and then see “the color of white!”

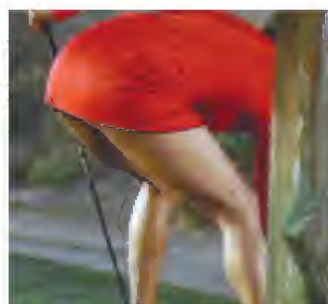

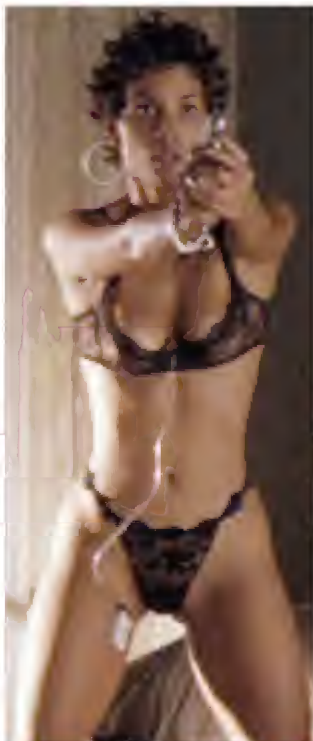

HALLE BERRY

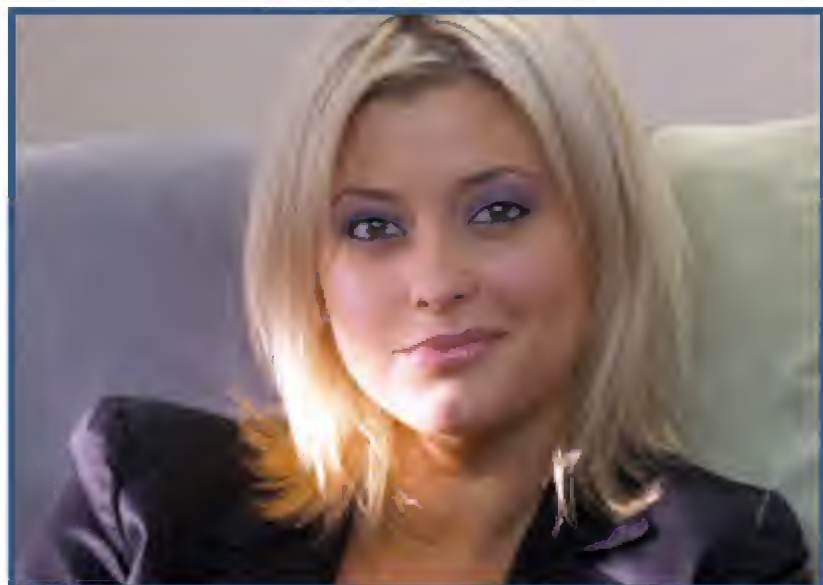

BORN: August 14, 1966, Cleveland, Ohio

SEXY SIGHTINGS: Ever since she took that monstrous bang-a-thon ballin' from Billy Bob Thornton in *Monster's Ball* (2001, this page, bottom, and opposite, top), Ms. Berry's been one of the ultimate fuck fantasies of danglin' dicks worldwide. Recently steaming up the screen with Bruce Willis in *Perfect Stranger* (2007, above), Halle proved no less of a willy-thickening wonder in skintight tops that show off her well-racked sweater-meat. As Rowena Price, Halle goes undercover to find her friend's killer. We wanna go under *her* covers to find out if the "juice" is as sweet as the Berry!

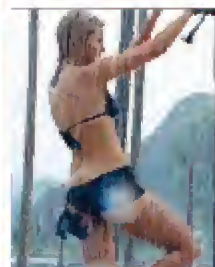

POLE FISHING: Halle left us bonered 'n' breathless when she bared her juggy pair in the techno-thriller *Swordfish* (2001, above), playing Ginger Knowles—a foxy babe with moxie, who tells a guy: “I’m not here to suck your dick, Stan.”

HOLLY VALANCE

BORN: May 11, 1983, Melbourne, Victoria, Australia

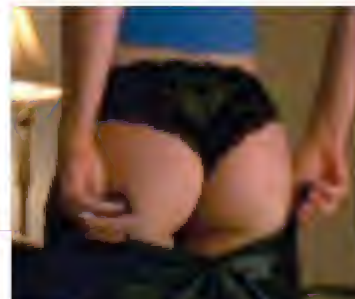

SEXY SIGHTINGS: This blond wonder from *Down Under* is definitely an Aussie we'd like to puss-plunder for hours! *DOA: Dead or Alive* (2006, spread), the joy-stick-pleasing film adaptation of the video game, features Holly as Christie Allen, a sexy jewel thief who parachutes from a plane to a remote Island martial-arts invitational against other equally *goo-tastic* girlies—and about 300 guys. When Holly states: “I don’t do teams,” we quickly imagine her in one-on-one action! Holly charted a hit UK single with “Down Boy,” though dongs are anything but *down* at the sight of her 24-karat *boob-toys*!

RAYNE GUEST

SEXY SIGHTINGS: This home-schooled hottie, named "Big Red" (for both her curtain and drapes, no doubt!) hails from the mountains of Idaho—and this hot potato shows us how to mount a man in *Ten 'til Noon* (2006, spread). In this indie thriller, a crime is committed ten minutes before noon...which *still* leaves plenty of time for Rayne to ride her way to orgasmic glory in time for a textbook nooner! Rayne plays Becky Taylor, one of several characters who reveal what happens to them in those critical ten minutes. Clearly, for Rayne, ten minutes is plenty of time for an afternoon delight, as she is already smoking by ten after. Her O-face rocks as does her chest; the best in breast is Rayne Guest!

WRESTLING'S WILDEST WOMEN!

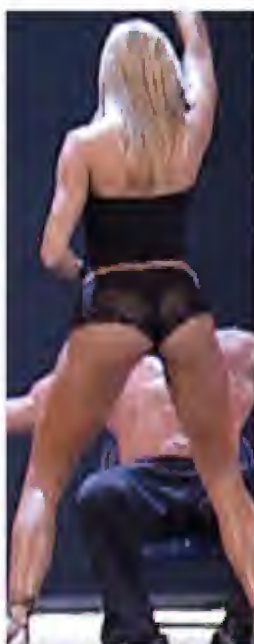

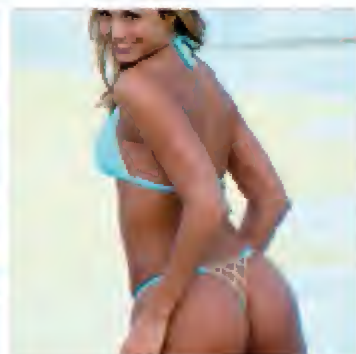

Your overwhelming response to our earlier issues of bodyslamming babes and chokeholding chicks makes us sure this flesh-packed volume of squared-circle sexbombs will thrill you into submission!

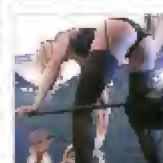

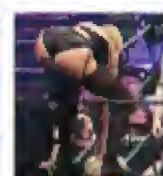

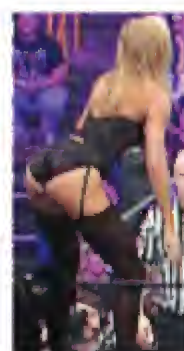

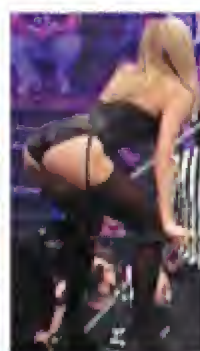

STACY KEIBLER

BORN: October 14, 1979, Baltimore, Maryland

SEXY SIGHTINGS: A Baltimore Ravens cheerleader before signing with WCW as a Nitro Girl in '99, once Stacy went 100% WWE, she instantly became one of their finest divas—and she's got the *fucktastic* ass cheeks to prove it, ready and willing to take on *all cummers*! Showing off her gorgeous gams as one of the most *deliciously dickable* divas in WWE Divas: *South of the Border* (2004, below caption), this lean 'n' mean fuck machine has 42-inch legs and likes to wrestle barefoot (fetishists, take note!) When Stacy says, "It's time to become men, boys!"—get your manhood into a chokehold!

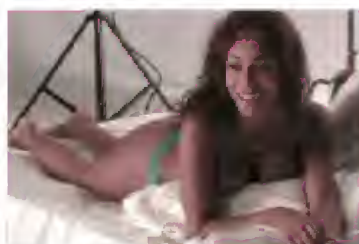

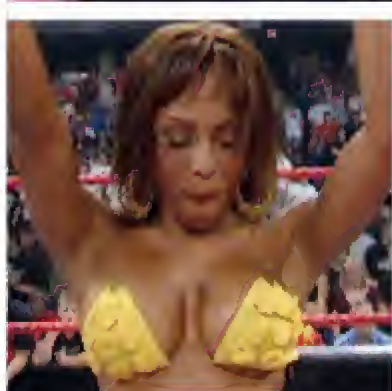

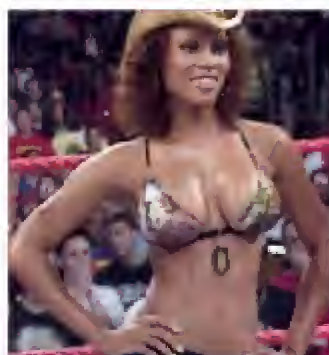

KNEEL FOR KEIBLER: In *WWF Divas: Tropical Pleasure* (2002, opposite, top and bottom, and this page) Stacy dons thongs—and looks so asstastic in all of them, you'll feel your schlong go boing the minute her buns hit the mat!

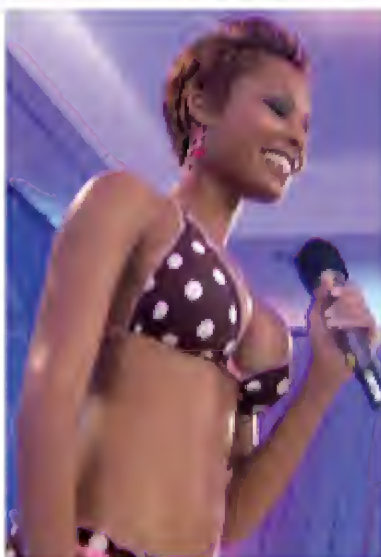

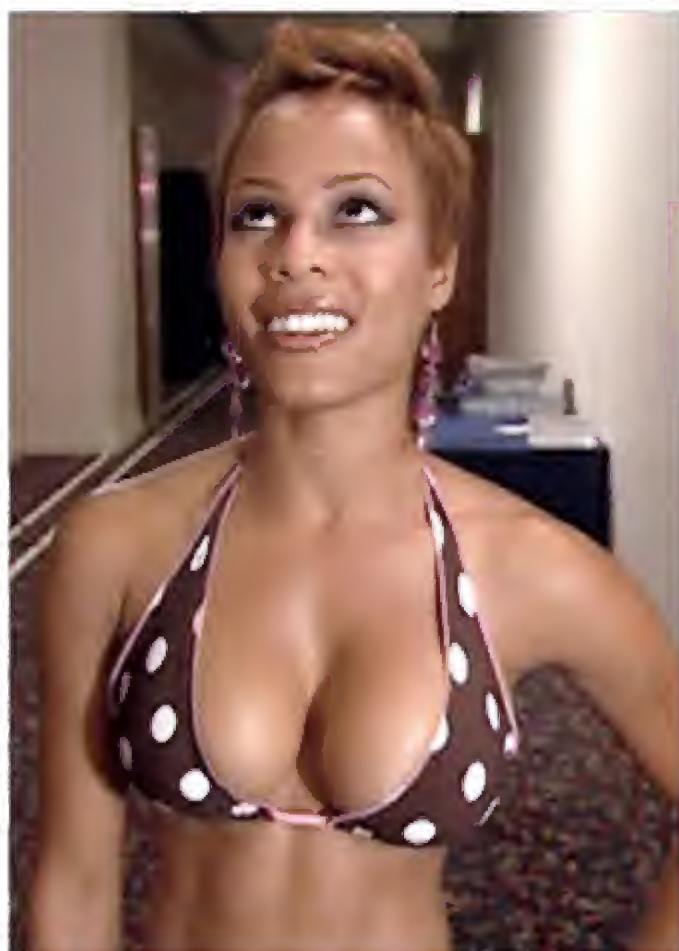

KRISTAL MARSHALL

BORN: November 11, 1983, Alabama

SEXY SIGHTINGS: Formerly one of "Barker's Beauties" on *The Price Is Right*, Miss Kristal's bootylicious bottom is without a doubt one of the most smackable, snack-attack asses in wrestling! Though it's her sultry nympho's voice that gave her wrestling fame as the backstage announcer for WWE Smackdowns, the camera clearly loves her caramel-colored, copious curves. As seen here in *WWE Divas Do New York* (2006, spread), another diva *click-umentary*, kissable Kristal bears quite a resemblance to Beyoncé. But we don't think she's ready—because we'd overwhelm her with gobs of our *man-jelly*!

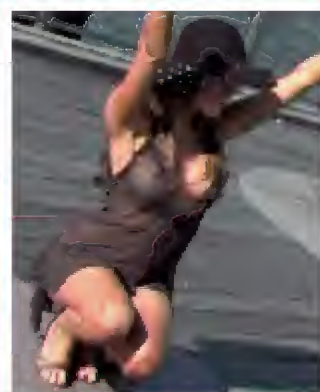

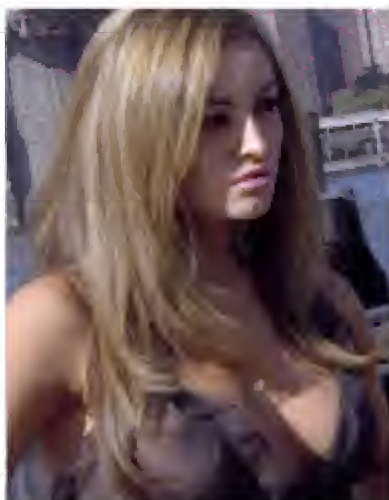

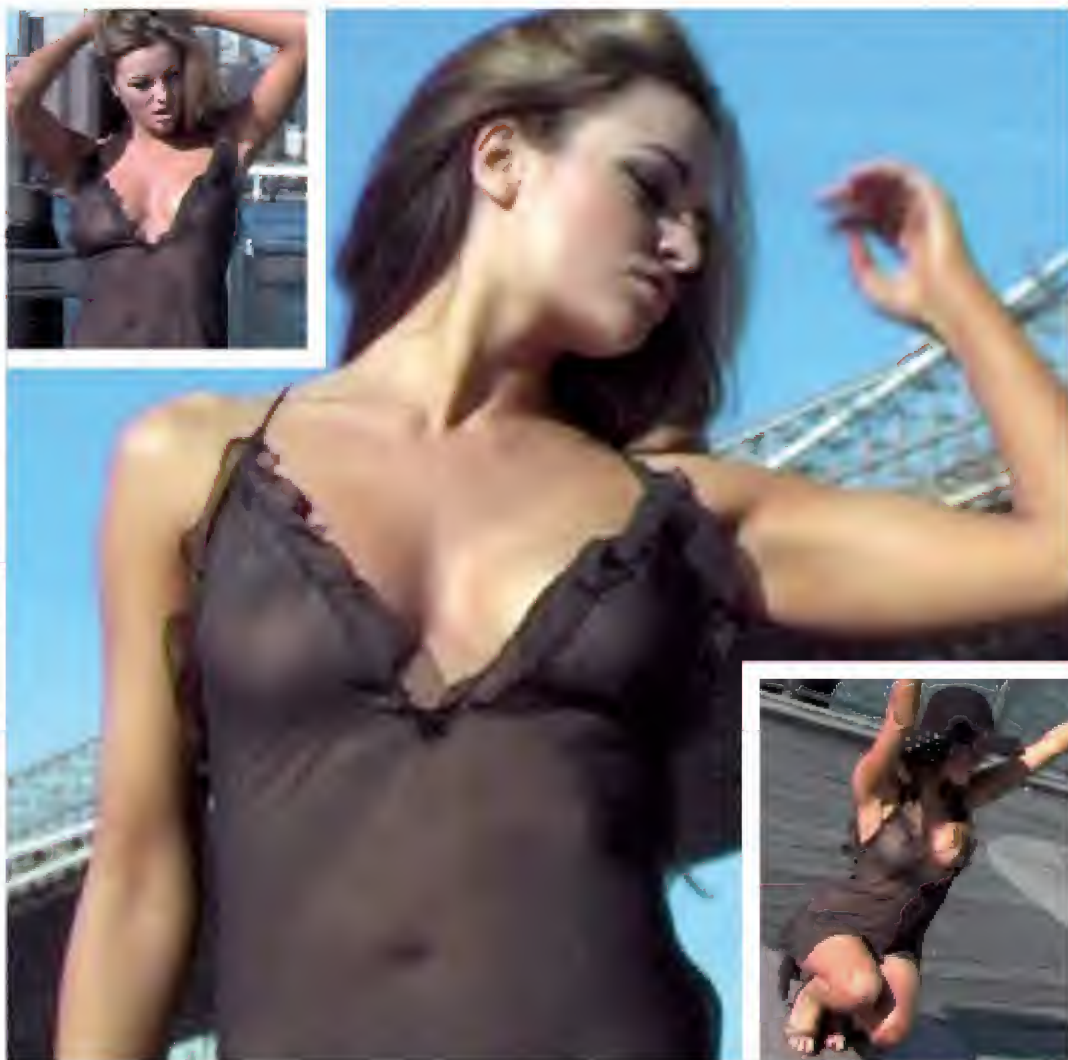

FISTFUL FOR KRISTAL: Seen in the video for 50 Cent's "Candy Shop" (she's in the green dress) or in the ring—givin' a bitch-style smackdown to Jillian Hall—any man would give his right (or left) hand to pay Kris a creamy cum-pliment!

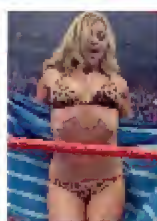

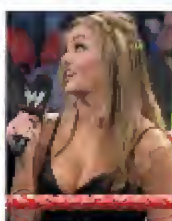

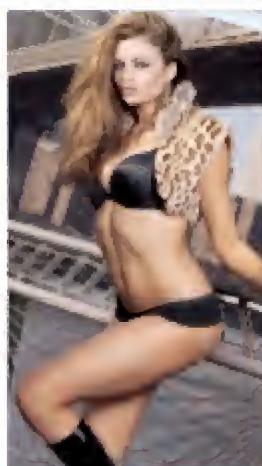

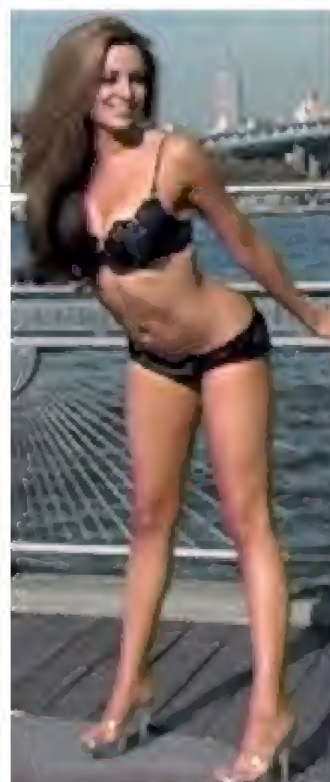

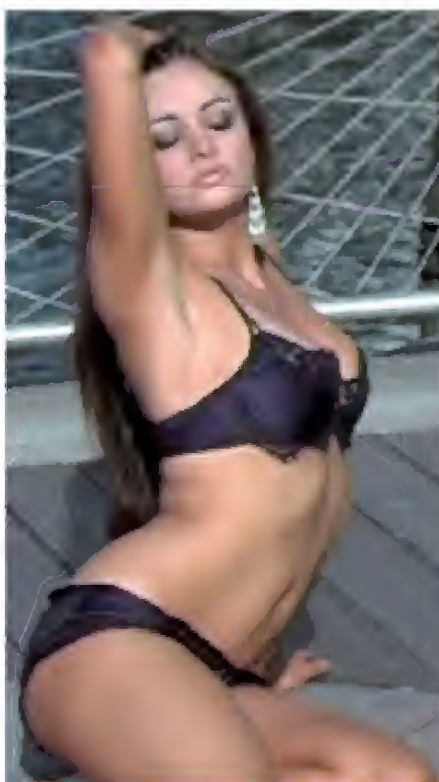

MARIA KANELIS

BORN: February 25, 1982, Ottawa, Illinois

SEXY SIGHTINGS: *WWE Divas Do New York* (2006, spread) does urban *jizz-tice* to Maria's "Little Miss Tough Girl" attitude and appeal. Not only does she look like a 'round the way girl, but her hungry eyes tell you that she knows her way around a wrestling ring...and maybe even a *cock* ring! Nicknamed "Boop" and "Dancer" in the biz, there's more than a little Lolita inside Maria. Even in a sheer, black, clingy negligee, she's not afraid to show any well-hung dude a lil' stiff-nip appeal. Apart from wrestling, Maria was a contestant on 2004's *Outback Jack*—and prompted many viewers to *bareback whack!*

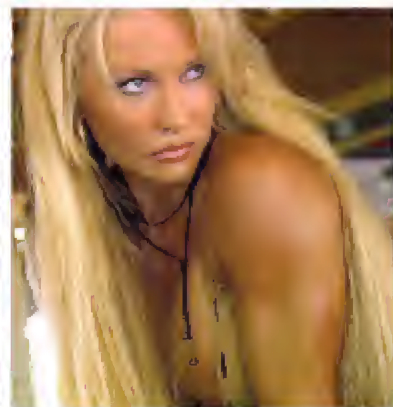

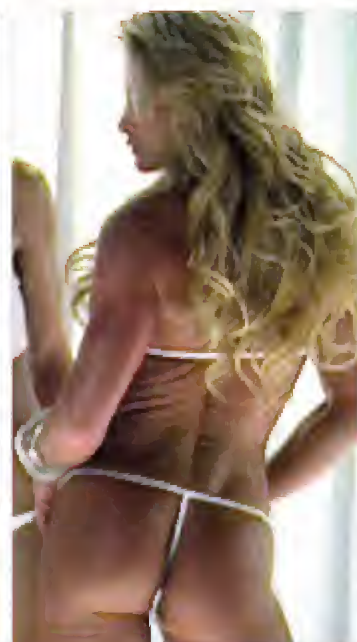

CARNAL KANELIS: She looks so wiener-wise, but Maria was originally given a “ditz” gimmick on RAW. She called Chris “The Masterpiece” Masters, “The Masturbate,” but looked like she knew the word’s meaning—and how to do it!

SABLE

BORN: August 8, 1967, Jacksonville, Florida

SEXY SIGHTINGS: The juggalicious Amazonian goddess known as Sable is more than welcome to use her trademark move—"The Sable Grind"—on our groins *anytime!* In *WWE Divas: South of the Border* (2004, spread), the sun, sand and sweat (not to mention those black handprints on her waaay-more-than-a-handful hooters!) cannot keep this formidable fox and her ten-gallon titties down! Every tawny, toned inch of her amazing bod looks good enough to eat—and she's sure to inspire you to beat your meat senseless! As Sable says: "All the men come to see me, and all the women want to be me."

SABLE GETS SKINNED: *It's no surprise that Sable used to model for Guess jeans. But one look at those soaking-wet thighs and glistening ass makes it obvious that her genes are gifts to us all that should never be covered up by jeans!*

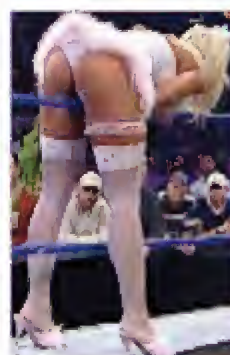

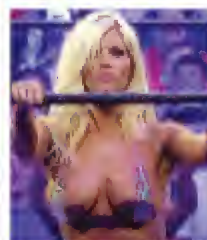

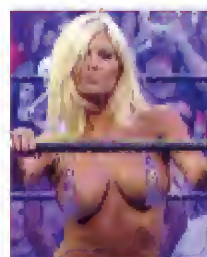

TORRIE WILSON

BORN: July 24, 1975, Boise, Idaho

SEXY SIGHTINGS: Golden tendrils aside, this vixen's no Goldilocks—just ask your pulsing, Torrie-craving cock! Feast your eyes on her gorgeous game face and all-American “arm-rests” in *WWE Divas: South of the Border* (2004, top left and opposite page). The sight of her soft-cotton-covered curves will have you reachin’ south in short order!

FACT: Her finisher is a *Sit-Down Facebuster*, but we start arena chants for the deadlier “nutbusting blowjob!”

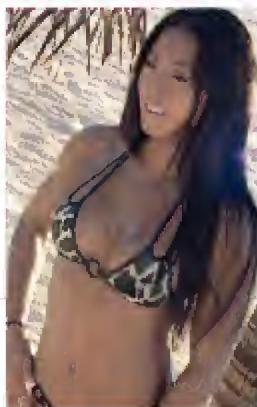

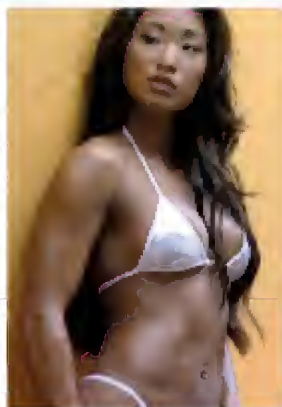

SPILL SOME FOR WILSON: Watch WWE Divas: Tropical Pleasure (2002, opposite, top right and bottom), and see tit-tastic Torrie in her finest, fuckable form! Straddlin' the ropes or scrappin' with Sable, Torrie's T&A is title worthy!

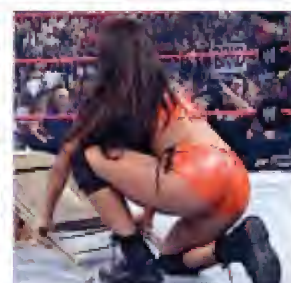

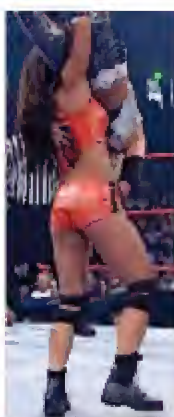

GAIL KIM

BORN: February 20, 1976, Toronto, Ontario, Canada

SEXY SIGHTINGS: Since she used to wrestle (wearing a mask) under the name "La Felina," it's a good bet that this pussycat likes to purr! We praise the day she ditched the mask, though, because Gail is gorgeous in that way that makes us wanna use our scratching post! This Korean cutie's mega-muscular arms keep all good men down for the count in *WWE Divas: South of the Border* (2004, spread). Elsewhere, gonad-pleaser Gail has appeared topless in cell-phone ads, and is on MySpace at myspace.com/gailkimfanssite. She urges all fans to become her friend—with "benefits," we hope!

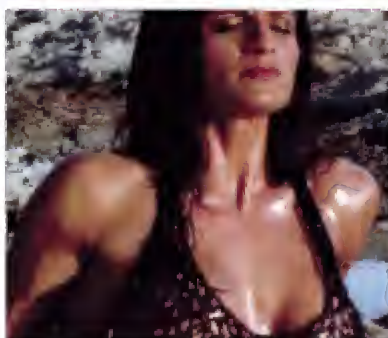

GAIL FORCE WINS!: At her personal site, thegallkim.com, Gall reveals that the Asian sin-sation loves to cook. The grappling gourmet shares her secret sauce, roasted eggplant dip, which we've found goes well with rubbed pork!

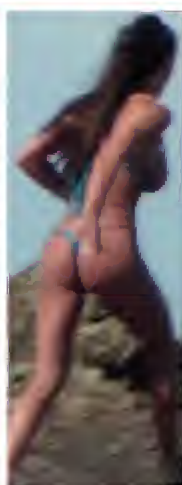

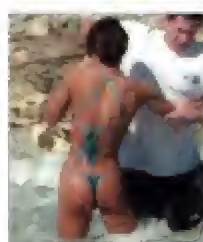

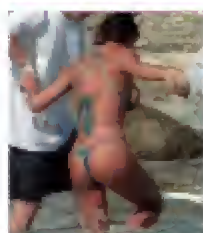

SARA CALAWAY

BORN: July 21, 1977, Long Beach, California

SEXY SIGHTINGS: Sara's the real-life *and* ringside Bride of The Undertaker (Mark Calaway), WWE's fiendishly fascinating "Man From the Dark Side," and her striking, unusual looks make for a *mammaluscious* marine frolic in *WWE Divas: Tropical Pleasure* (2002, spread). A true "Princess of Darkness," her underworld appeal and rock-'em-sock-'em tits make her unforgettable wet-dream material, indeed! While her man may be "The American Bad Ass," "The Punisher" and "Big Evil," Sara's got the ass (and gash) that we'd love to "punish" with *our* "Big Evil!" In short—we want *dark meat*!

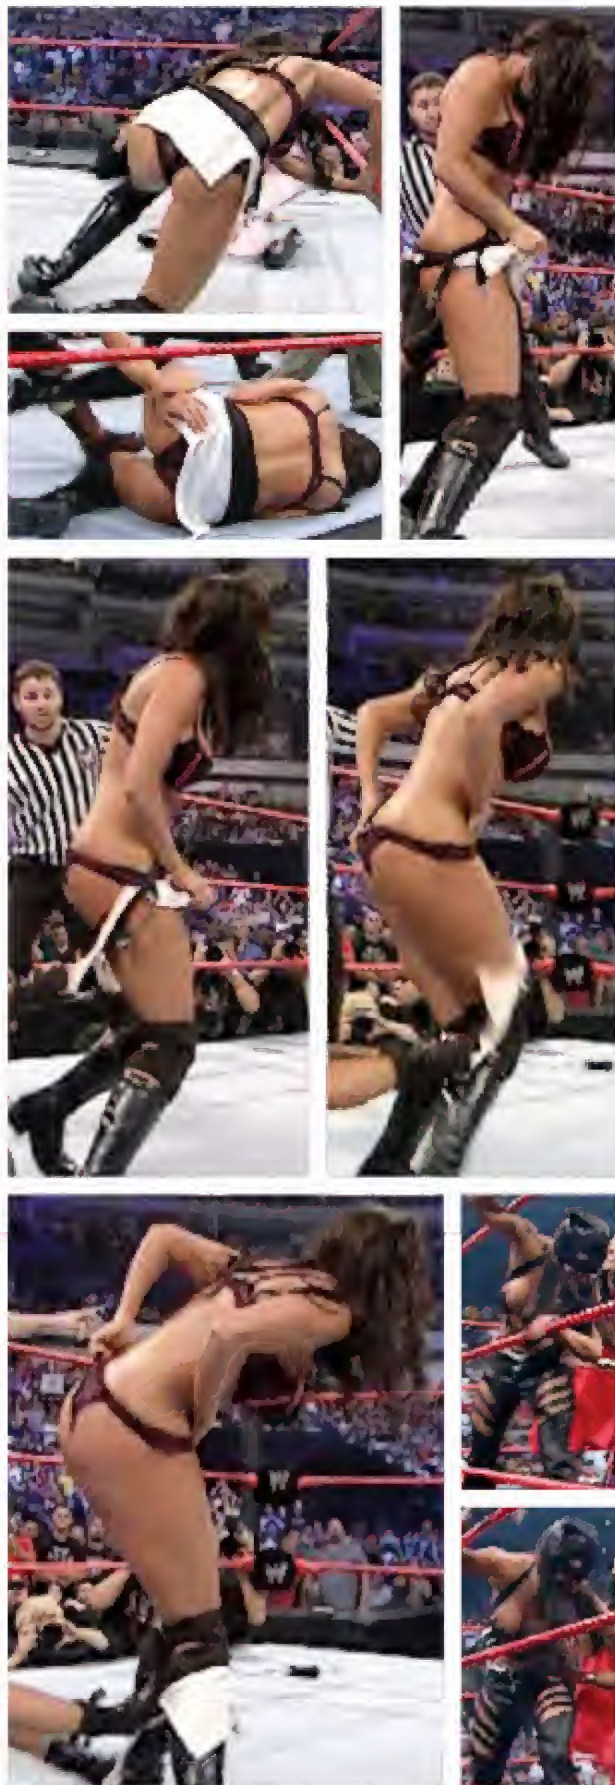

HARDCORE CALAWAY: Down on all fours with her big, plump, round-'n'-ready ass in the air, and that cock-cravin' look in her amber eyes, it's easy to see why 'Taker had her name tattooed on his throat: Doin' the ink, all for the pink!

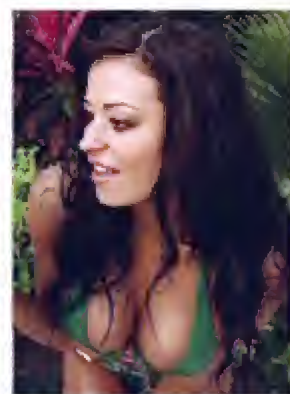

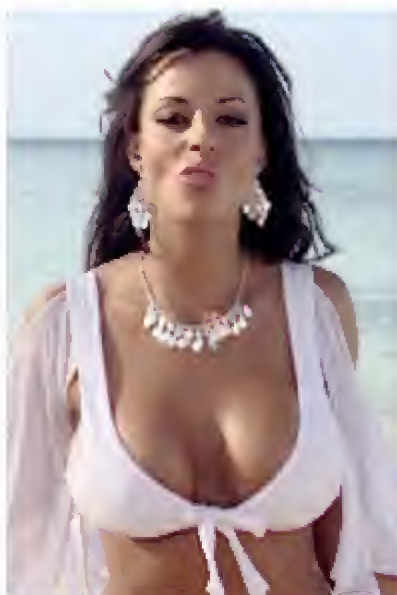

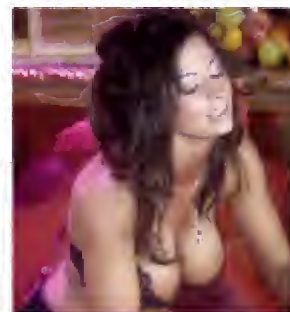

CANDICE MICHELLE

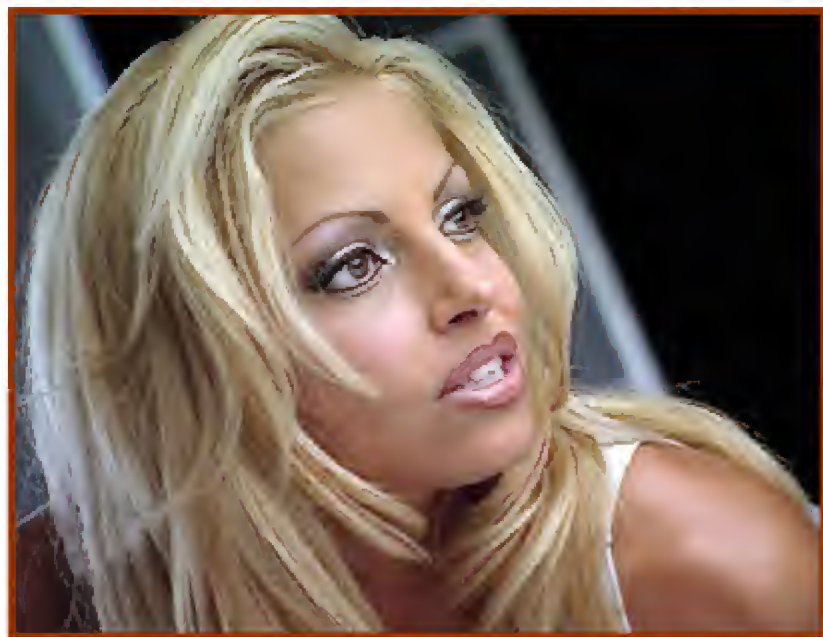

BORN: September 30, 1978, Milwaukee, Wisconsin

SEXY SIGHTINGS: In *WWE Divas Do New York* (2006, above, right, and below, and opposite, top), Candice the "Go Daddy Girl" (her boner-prompting nickname, courtesy of her appearances in the WWE's super-racy Super Bowl commercials) is on fine and highly *dongable dick-splay*! Known for her signature move, the "Candylicious," Candice is only the fifth WWE Diva to appear in *Playboy* (check out their April 2006 issue) —which makes for gallons of goo-gushin' fun with your handheld *man-toy*! This past July, the mamm-blessed minx retained her championship against her rival, Melina!

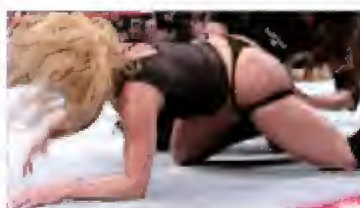

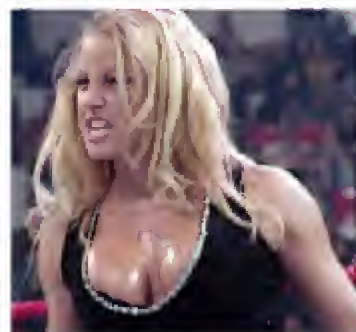

CANDICE & HER CANS: When Panama and Germany come together (i.e., Candice's folks)—huge, deliciously suckable tits arise! Pictured above in WWE Viva Las Divas (2005), Candice's carnal cannonballs are undeniably dick-rousing!

TRISH STRATUS

BORN: December 18, 1975, Toronto, Ontario, Canada

SEXY SIGHTINGS: In *WWF Divas: Tropical Pleasure* (2002, spread), delish-dish Trish reminds us of a blond, hotter, naughtier Gina Gershon (maybe it's those full, luscious, suckable lips!). We hope pussy's nutritious, because we have a feeling hers is like her nickname: *Trish-alcous!* Consider yourself warned: Holding your little grappler in a sleeper-hold while watching Trish may lead to momentary "Stratusfaction," but it will leave you suffering from her signature move: The Double Leg Spinebuster! Not one to take any sass from a man, Miss Stratus actually bitchslapped Vince McMahon!

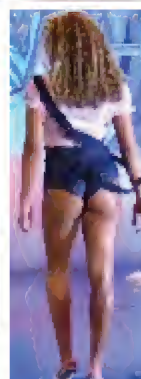

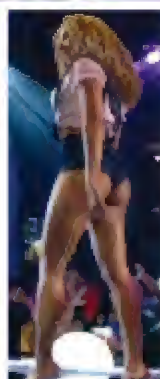

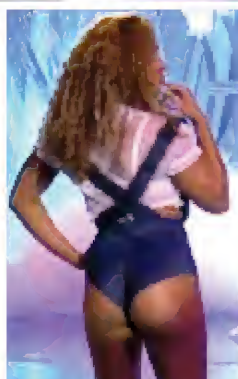

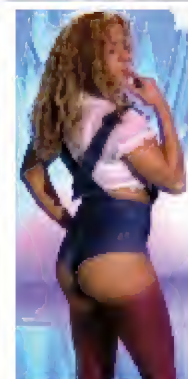

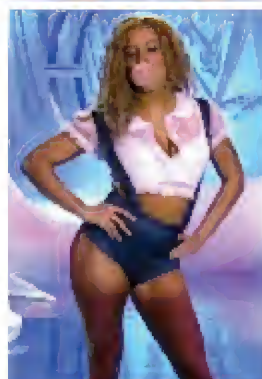

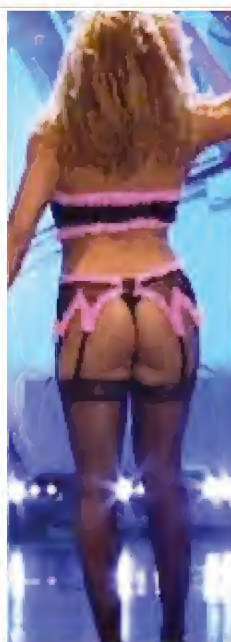

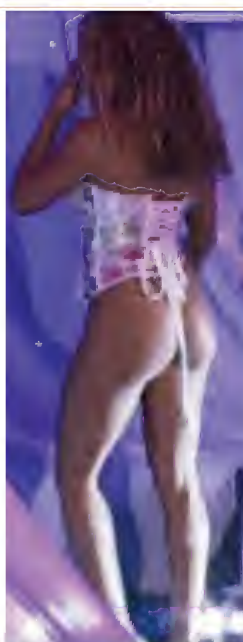

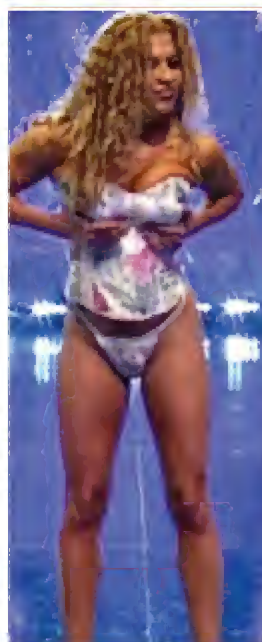

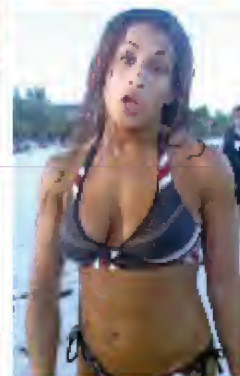

TRISH THE DISH: Frolicking on the beach in *Tropical Pleasure*, a "dick-umentary" featuring all of the WWE's finest divas baring their bikini-licious, hard-packed power bods, Trish is lookin' "Baywatch," but has us tuned to "Boobwatch!"

NIDIA GUENARD

BORN: March 12, 1979, Mayaguez, Puerto Rico

SEXY SIGHTINGS: *La Boriqua Morena* of the WWE (though she hails from Houston, Texas), Nidia has nature-made mumm-mangoes that hang low, ripe and juicy in *WWE Divas: South of the Border* (2004, above) and *WWE Divas: Undressed* (2002, below). This sexy mami was a topless dancer in Dallas before her ass-ets and raunchy wrestling appeal helped her win the first season of *Tough Enough*. Today, Nidia lives in Italia...which makes us think of sausage...and then makes us reach for our genitalia! For more Guenard, check out nidia.net—or her real-life wrestling sister, Lourdes Guenard!

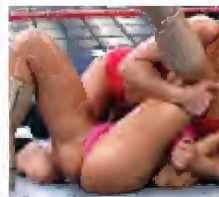

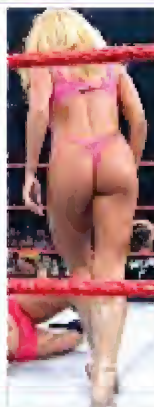

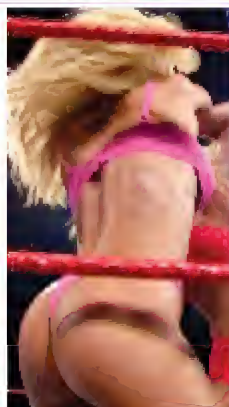

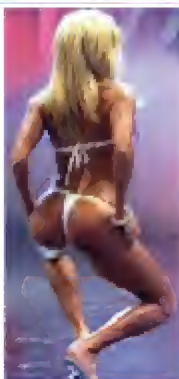

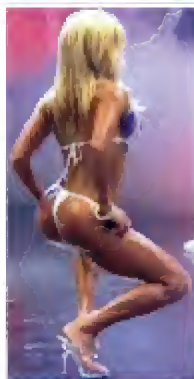

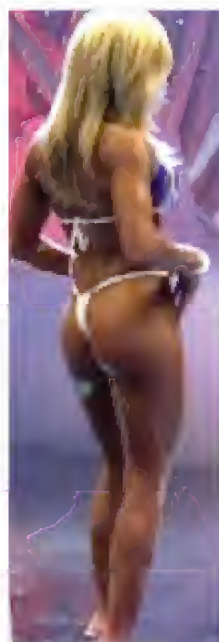

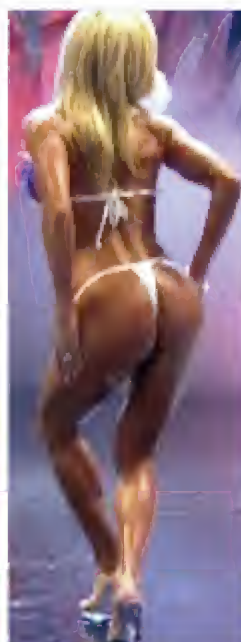

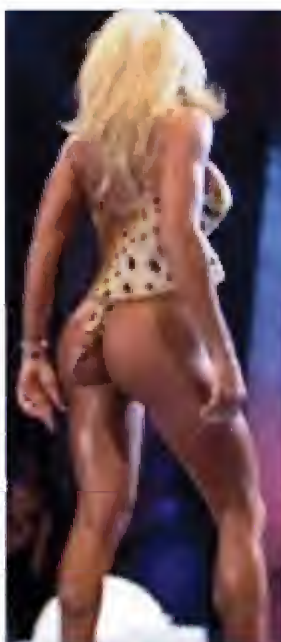

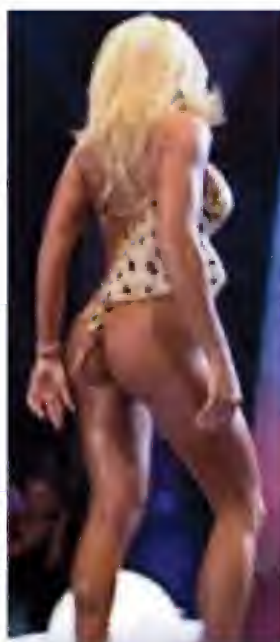

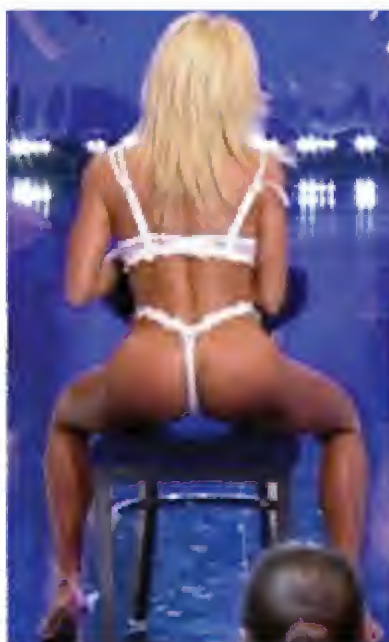

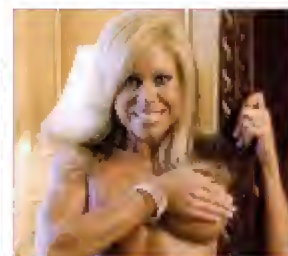

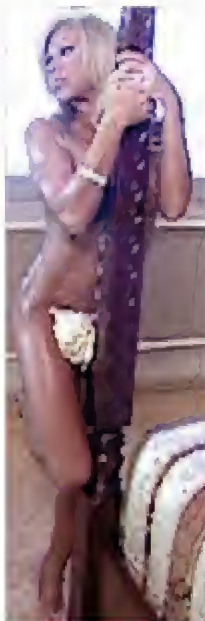

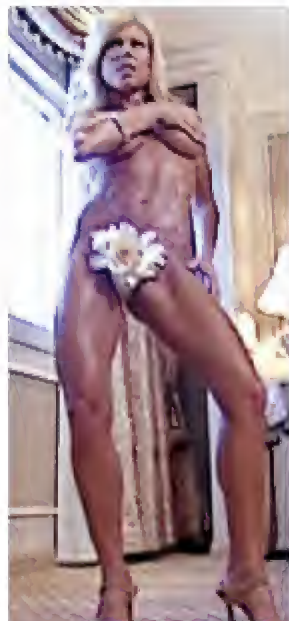

TERRI RUNNELS

BORN: October 5, 1966, Live Oak, Florida

SEXY SIGHTINGS: In *WWE Divas: Undressed* (2002, this page and opposite, top) Terri (a.k.a. The Horny Little She-Devil) eyes a big, long, thick cigar and makes us start having Lewinsky/Clinton *Oral* Office fantasies! This NYC Thong-A-Thon features some of the choicest divas competing in bikinis, but mostly butt-baring, tantalizing thongs. Watch and see which hits the floor faster—your drool or Terri's opponents! Known for her trademark partly opened lips, you've gotta wonder: Is anything else pink and wet and "partly open" beneath that thong? *Hmmm*, who else could go for a cigar right now?

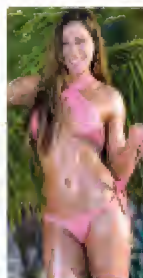

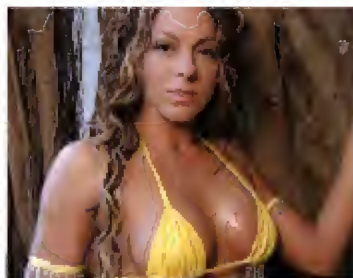

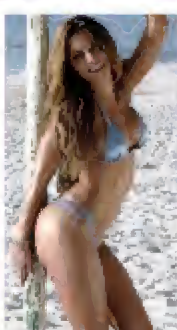

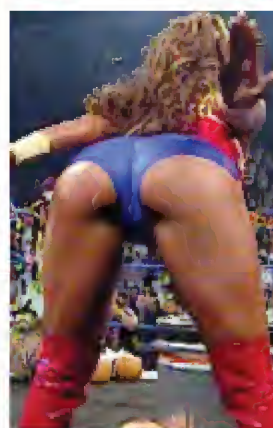

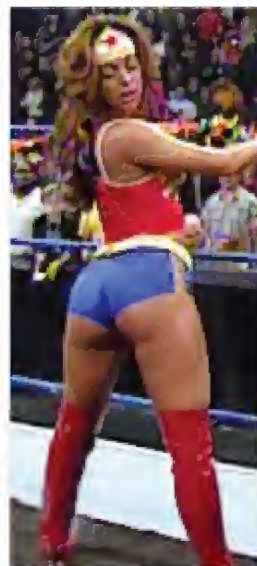

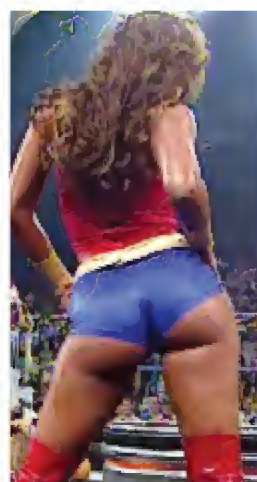

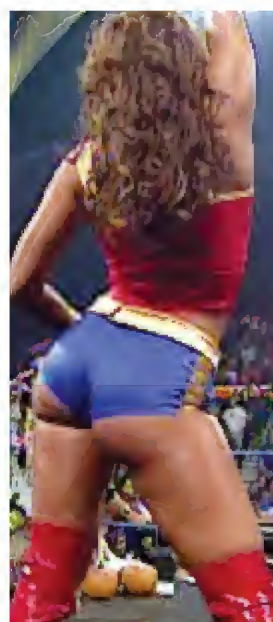

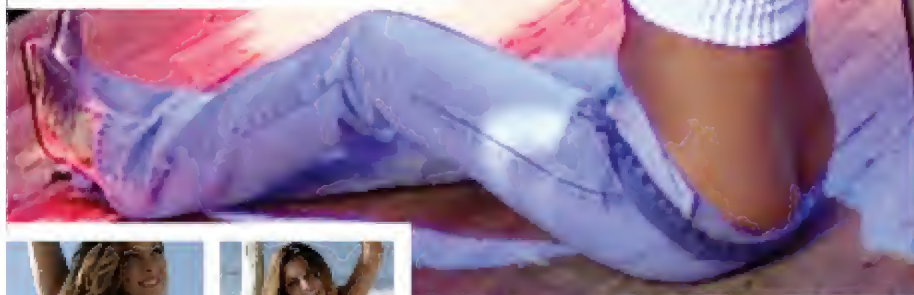

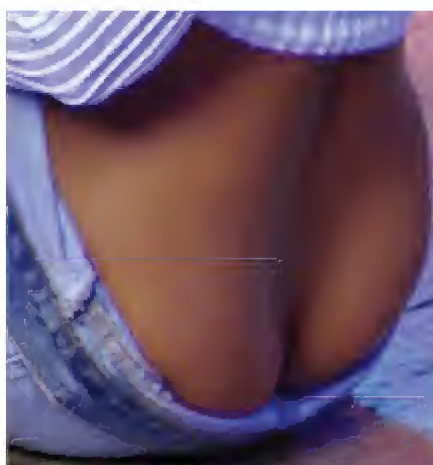

HER CUPS RUNNELS OVER: In *WWF Divas: Tropical Pleasure* (2002, above), the biggest coconuts on the beach barely cover Terri's copious breast flesh! She once lost a "Stinkface Match," but we still want to sink our face—in her snatch!

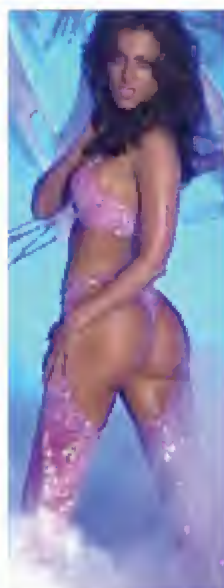

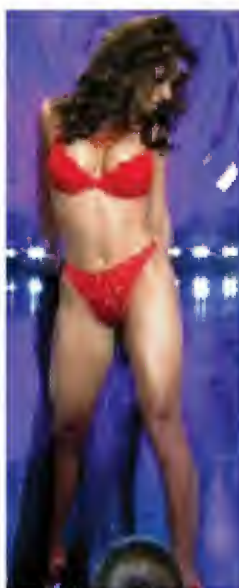

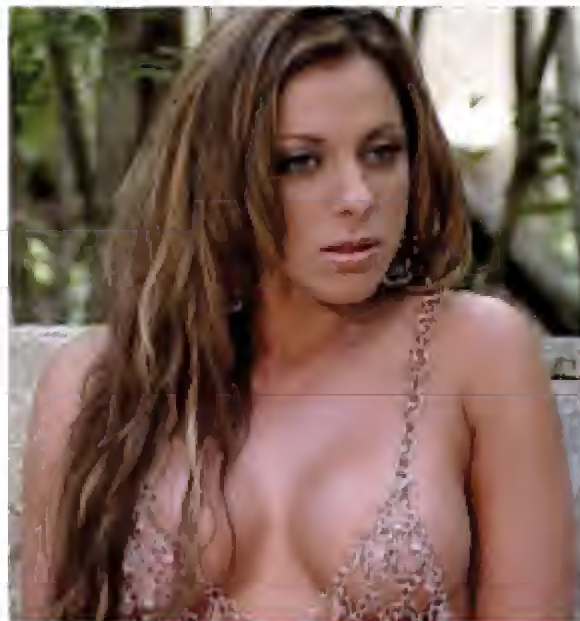

DAWN MARIE PSALTIS

BORN: November 3, 1970, Rahway, New Jersey

SEXY SIGHTINGS: In *WWE Divas: South of the Border* (2004, this page and opposite, top), Dawn's Greek/Italian/French background is well evidenced by her bountiful backside! What do those countries have in common? Salad dressing! What would we like to do to sexy Psaltis? *Undress* her and give her a nice coating of creamy, white "Thousand Guyland!" Ballers beware, though: Dawn "married" rival Torrie Wilson's real-life dad, Al Wilson—and the poor feller dropped dead on their honeymoon! Makes you wonder which one is her "killer groove-move": the "School Girl" or the "Sit-Down Facebuster?"

SULTRY PSALTIS: As “Bun-der Woman,” Dawn’s prime pump material for your “magic lasso!” In WWE Viva Las Divas (2005, above) and WWE Divas: Undressed (2002, bottom right), her bubble booty is a wonder we’d love to pud-plunder!

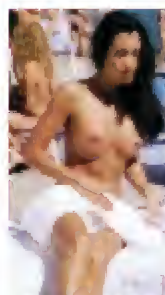

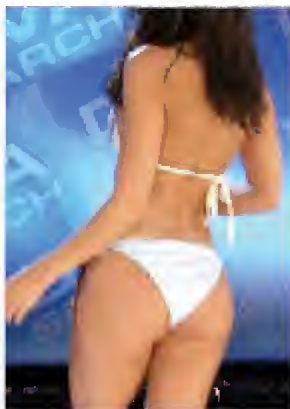

AMY WEBER

BORN: July 2, 1970, Peoria, Illinois

SEXY SIGHTINGS: One of the hottest bubble-butt babes in *WWE Viva Las Divas* (2005, this page and opposite, top), Amy's pussy-pink, full lips, super-hot 'n' suckable tits, and unbelievably perfect ass catapulted her carnal comeliness into TV and film success, even though she was a heel during her run in the ring. Released from *The Cabinet*, where she served as wrestler John Bradshaw Layfield's image consultant, Amy now uses her own image to inspire erections! She was Toby Keith's cunt-ry "Whiskey Girl" in his video for that song, so don't be surprised when she gives you an urge for some Jack!

WEBER GETS WETTER: *Forbidden Games* (1995, above) equals foamy-fuck fun with Amy's gumdrop-sized nipples and squeeze-box ass. This thriller features private investigators—and a thoroughly enjoyable investigation of Amy's privates!

JACKIE GAYDA

BORN: November 3, 1981, Cleveland, Ohio

SEXY SIGHTINGS: Buff enough to win *Tough Enough*, Jackie's kinky-blond, all-access sexiness makes her one of the rawer, raunchier *rasslers* of the bikini-busting tell-all that is *WWE Viva Las Divas* (2005, this page). Teamed with Stacy Keibler, Miss Jackie proudly proclaimed the duo as the hottest divas ever, and judging by the way she heats up our *tubed tubes*—we don't disagree! Known as something of a bombshell badass throughout her catfight career, Jackie likes to leave 'em squirming with her signature move: the German suplex pin. That's one German order we'd obey at all times!

GAYDA LIFE: In WWE Divas: South of the Border (2004, top) and WWE Divas: Undressed (2002, bottom), jack-worthy Jackie could be Elle Macpherson 's tough-tittles twin! She left no doubt that the 'G' in g-string stands for Gayda!

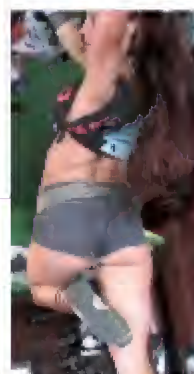

CHRISTY HEMME

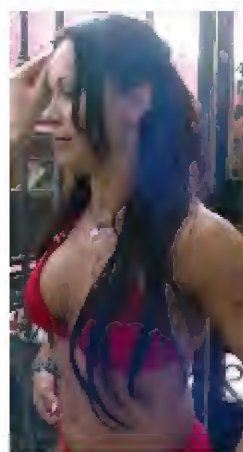

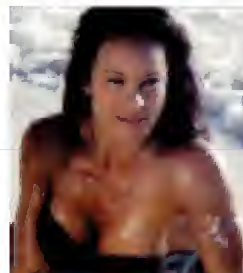

BORN: October 28, 1980, Temecula, California

SEXY SIGHTINGS: One of the hottest redheads ever, all-energy-all-the-time Christy "Harley Girl" Hemme is a self-described tomboy, but we prefer to think of her as a mega-hot and highly humpable honey who brings us a lot of *dong-joy*! From *Playboy* cover model (April 2005) to video vixen for Trace Adkins' song, "Chrome," to *Knockouts: The Ladies of TNA Wrestling* (2003, spread), vixen Christie has both a spirit and sporty-sexy bod that simply will not quit—from her cushlony booty to her fleshy-yet-firm tits! Visit myspace.com/hemmepowered to flog your log while reading her blog!

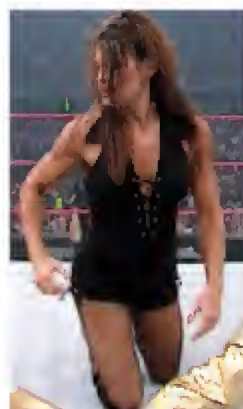

HEMME ABOVE THE KNEES: When hotter-than-fire Christy works her bod, there's no denying the effect she has on your rod! Her big, ripe ass promises "total nonstop action" and her plump, perky tits are the essence of splat-Isfaction!

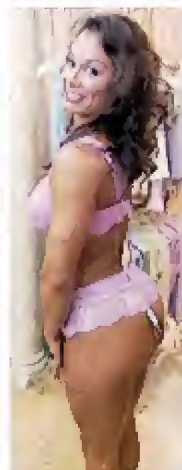

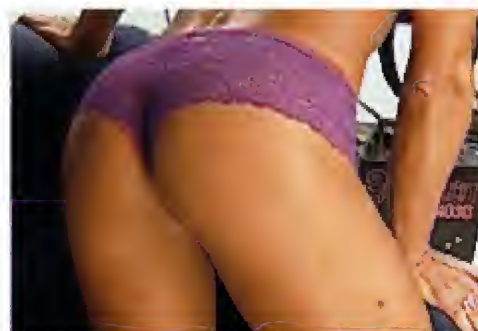

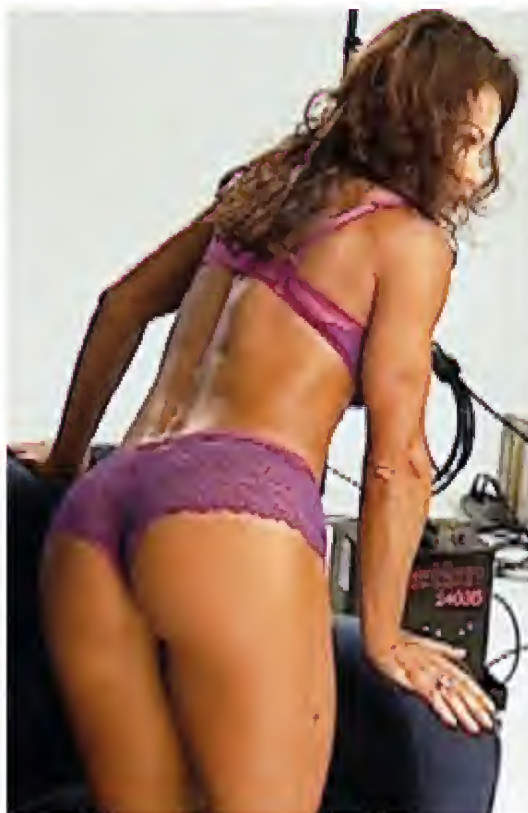

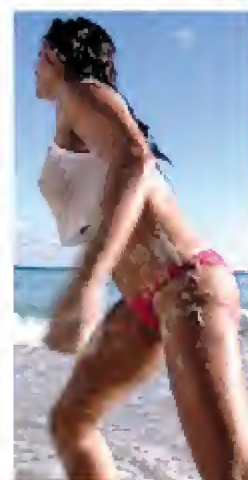

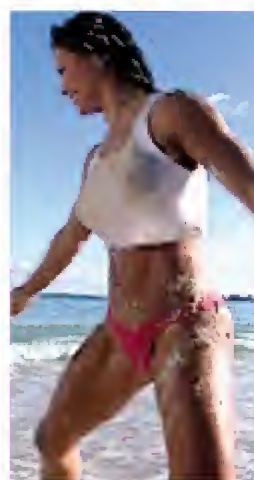

LISA MORETTI "IVORY"

BORN: November 26, 1961, Inglewood, California

SEXY SIGHTINGS: Ivory's brunette-babydoll looks, flawless skin and slammin' bod give her pussy-power over men's pocket ivory towers! In *WWE Divas: South of the Border* (2004, this page) and *WWF Divas: Tropical Pleasure* (2002, below, right) her move, the Poison Ivory, is on furious, foxy and rump-rousing display! Famed for being more boy-toy coy than her rivals, Ivory has labeled the audiences of her more risqué matches "perverts," but even though she grudgingly dons bikinis, this not-so-virginal vixen isn't above breaking a jar over Crash Holly's skull! Talk about giving the wrong kind of head!

SO PURE THEY FLOAT: In *WWF Divas: Tropical Pleasure* (2002, above, top) and *WWF Divas: Undressed* (2002, above), Ivory gives in—to sin—baring her sex-flesh and proudly showing off her ginormous knockers and bed-breakin' booty!

WRESTLING'S NUDEST WOMEN!

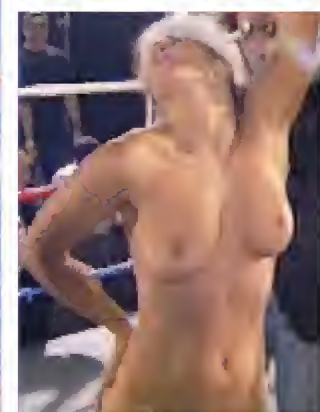

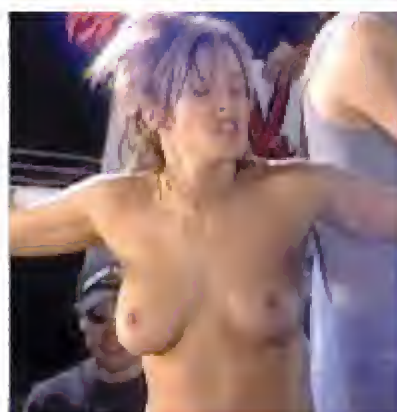

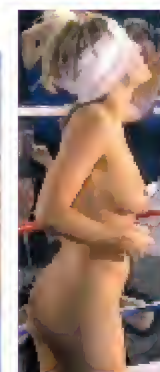

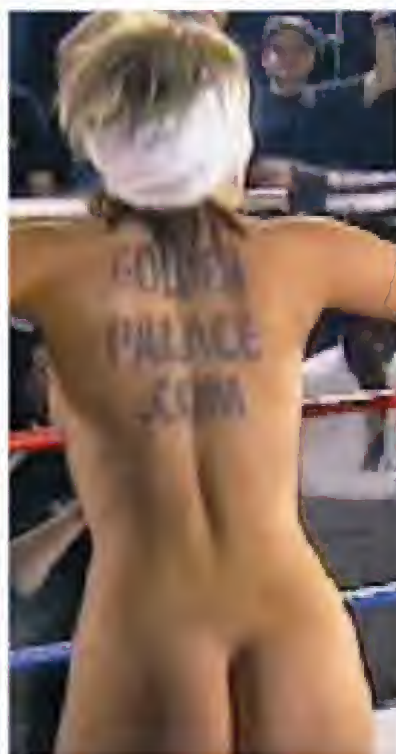

Carmen Electra's Naked Women's Wrestling League is the latest—and the raunchiest—arena of sex-entertainment! So get ready for babe-on-babe battles with no holds barred, and all boobs *bared*!

BECKY BRADY

SEXY SIGHTINGS: With her rough 'n' tumble, *cunt*-ry gal looks and ruthless-in-the-ring attitude, this Brady definitely isn't one of "The Bunch," though we do appreciate the generous bunch of boob-flesh she freely displays in *Carmen Electra's Naked Women's Wrestling League, Vol. 3*. (2007, spread). The NWWL's reigning Miss Corn Dog champ is well known to get spitting mad over botched matches, and believe us, this is one raunchy ring-girl who gives even better than she takes! Becky puts the "bitch" in "bitchslap," especially when an interview—in which she's showing off her *breast* side—is cut short by the intrusion of an overzealous opponent. Good rule of thumb: When a woman's showing you her boobs, don't interrupt!

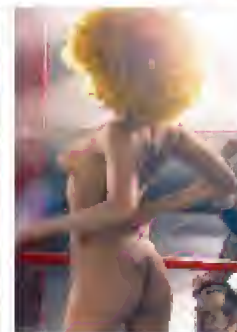

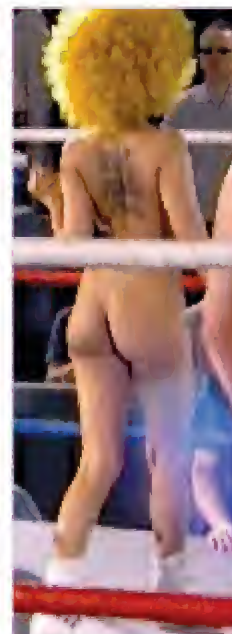

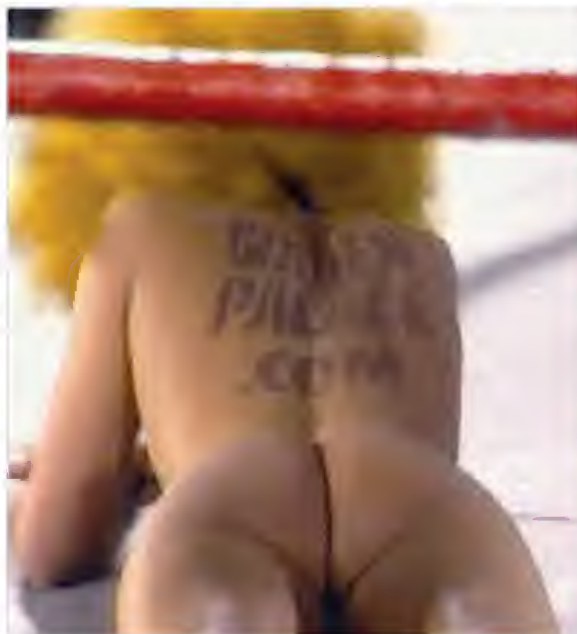

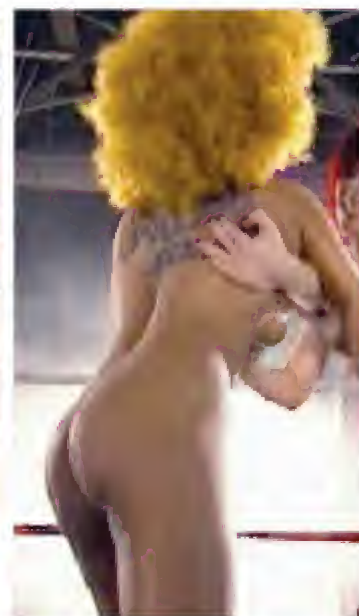

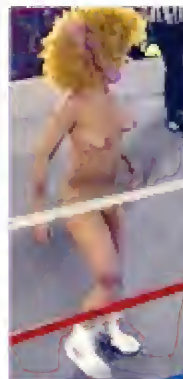

HILLBILLY BRADY: *This babe they nicknamed "Hillbilly" didn't join the NWWL to "play nice!" This Ass-alachian gal has longstanding grudges with several rivals; we'll take her handfuls & muff-toy over the Hatfields & McCoy's any day!*

DEMONICA DISCO

SEXY SIGHTINGS: It should be obvious from the get-go that this dress-less, diabolical, damn-fine diva is in the ring for two reasons: to kick some disrespectin'-bitch booty, and to look fiery, foxy and fine while doing so! The milk-chocolate vixen of *Carmen Electra's Naked Women's Wrestling League, Vol. 1* (2007, spread). This first volume in the NWWL's skin 'n' win series proves that Demonica's a mesmerizing piece of raunchy ring erotica in top take-no-pussy-prisoners form. With the look of Beyoncé's Foxy Cleopatra from *Austin Powers in Goldmember*, Demonica sheds not only her clothes, but every inhibition a woman could have, leaving her not only bootylicious, but also pussylicious and tittylicious!

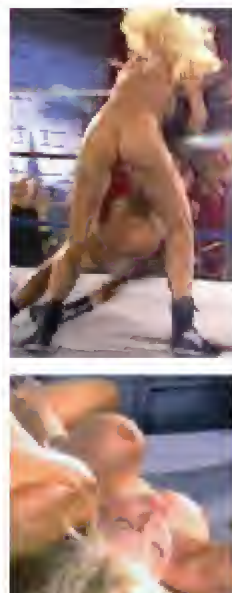

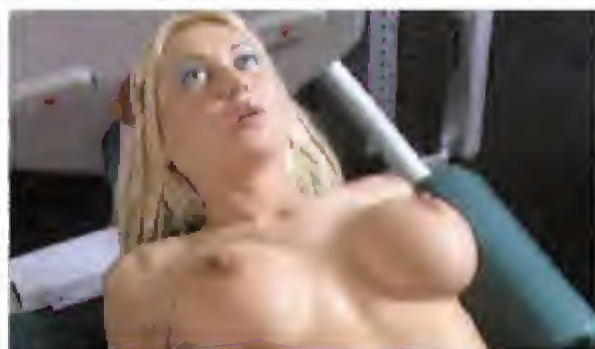

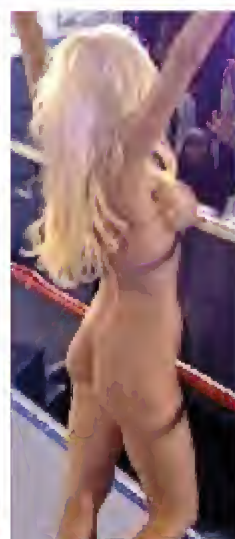

DISCO INFERNO: *This hellraisin' ho keeps it for realz, yo—apart from her spellbinding, golden-tufted, afro-styled merkin! We still give her cooze-credit for her salon-styled crotch-curly, ensuring that her pussy's un-fur-gettable!*

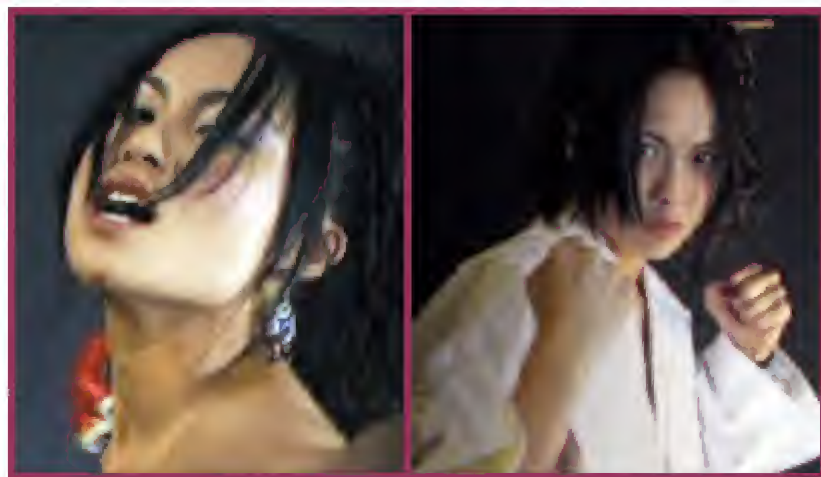

TWIN PEAKS

SEXY SIGHTINGS: In her pristine homeland of Switzerland, *tit-tastically* Teutonic Twin Peaks developed her taste for wrestling by challenging the various livestock on her family's farm to blonde-vs.-barnyard inter-species wrestling matches! It's good she knows her way around wild things, because these days, as the Aryan goddess in *Carmen Electra's Naked Women's Wrestling League, Vol. 2* (2007, spread), Ms. Peaks has to put her gigantic *twins* to the test every time she steps into the ring! Looks are deceiving as this angel-faced vixen threw herself into an *Electra*-fying sex-charged championship bout with mystical minx Wicca St. James. The catfight-crazed Twin even brawled with Selena Sanchez in the ladies' room!

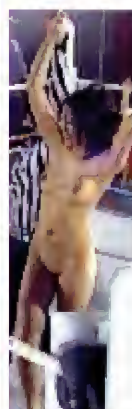

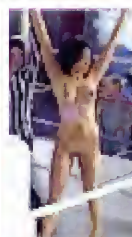

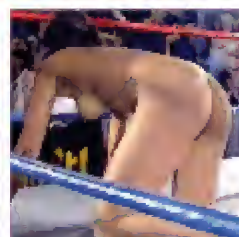

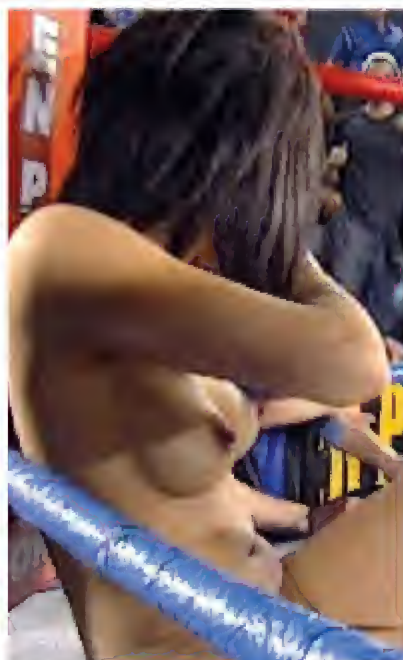

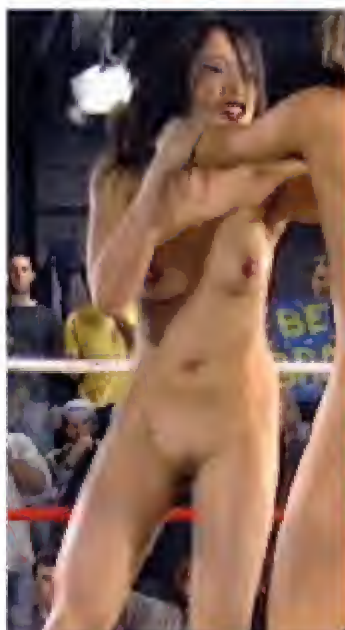

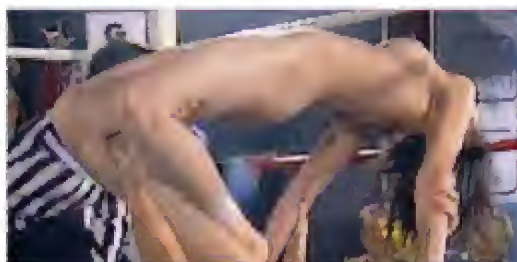

PINK PEAKS: This Swiss miss has been known to use her humongous hooters to great acclaim in the ring, scheming, screaming and writhing to gain a tits-over-ass advantage on arch rival Selena Sanchez. She's a regular yodel-ay-hee-HO!

NINJA CHOPS

SEXY SIGHTINGS: The Asian warrior known as Ninja Chops has been chopping down the competition in *Carmen Electra's Naked Women's Wrestling League, Vol. 3* (2007, this page), while blowing away her male fan base—who remain transfixed by the brunette's lovely head of hair and her matching Oriental rug! Having auditioned her way into the NWWL at the tender age of 19, Ms. Chops has quickly established herself as no easy win. In fact, it's proving impossible to beat her, as she has yet to be defeated. Billed as "The Pearl of the Orient," Ninja is one of the most popular performers in the league, and currently campaigning for a title shot. As much as we want her to win a belt, we don't want her to wear it!

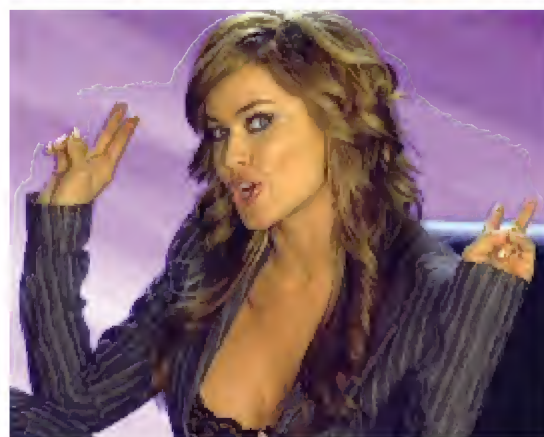

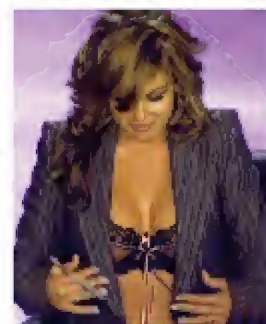

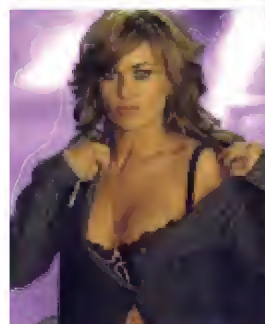

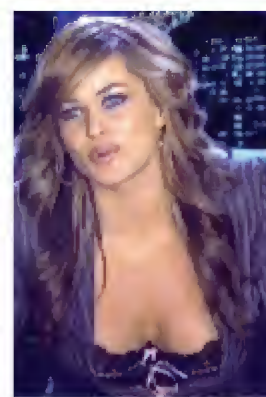

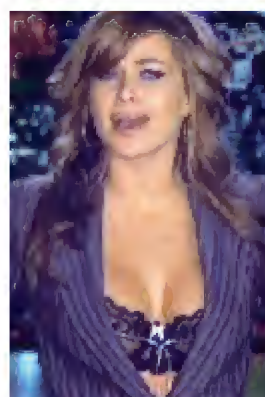

CARMEN ELECTRA

BORN: April 20, 1972, Sharonville, Ohio

SEXY SIGHTINGS: Even though she's usually the one in the spotlight—and for good reason...make that *two* good reasons—curvy Carmen watches the action from the sidelines in *Carmen Electra's Naked Women's Wrestling League, Vol. 3* (2007, this page). We must admit, though we'd prefer she stripped down and wrestled, her bra-clad commentary is what keeps the matches chugging (and jugging) along! So make do with what little skin Ms. Electra shows now, and who knows? One day she may come running into the ring wearing nothing but a "GOLDEN PALACE.COM" tattoo on her back!

NUDES: Tess Broussard, Aria Giovanni, Shauna O'Brien, Julie K. Smith, Almee Sweet, Alexis Wonston

THE SKINNY: It's a jungle out there in *Bare Naked Survivor* (2001) and there's no need to wear clothes in the light of such tropical heat. This wickedly witty, amiably randy softcore romp improves on the reality TV stalwart it parodies via the simple concept laid out in the first two words of its title. GOING UNDER (2004)

NUDES: Geno Lechner

THE SKINNY: Hard kink and psycho-sexual dynamics play out most engagingly in the weird, wild arthouse outrage *Going Under* (2004). Roger Rees portrays a psychotherapist who falls for chick-loving fetish model Mistress Diane (Geno Lechner). Their relationship becomes ever more twisted and obsessive the further they go in exploring their carnal outer limits—and the movie gets more and more enjoyable, to boot. *Going Under* was written and directed by Eric Wertham, a professional shrink in real life. Perhaps his knowledge of such matters elevates *Going Under* to such intense highs...or maybe it's just the luscious Miss Lechner.

EXTRAS: Director and actor commentary, interviews, fetish ball feature, trailers.

KOTTENTAIL (2004)

NUDES: Patricia Bellemore, Heather Darling, Noel Francomano, Zoe Hunter

THE SKINNY: Upping the (awesome) ante set by the 1972 classic *Night of the Lepus*, which pitted DeForest

"Bones" Kelly against killer bunnies, *Kottentail* (2004) unflinchingly chronicles what will happen when animal rights activists liberate a lab rabbit—and it mutates into a homicidal monster. Naturally, it's up to five insanely arousing females to fight back against the floppy-eared menace, oftentimes while wearing nothing. The tantalizing talent in *Kottentail* is guaranteed to boil your Easter eggs.

EXTRAS: Director commentary, actress commentary, making-of featurettes, extended scenes, bloopers, trailers.

LOLA (2001)

NUDE: Joanna Goong

THE SKINNY: Scintillating Sabrina Grdevich takes on the title role in the personality-swapping drama *Lola* (2001). As Lola, Sabrina befriends Sandra, a drop-dead gorgeous street hooker played by English eyeful Joanna Goong. Then Sandra really *does* drop dead, and Lola assumes her illicit identity. Fortunately, before the fatality, the friends enjoy a sauna, allowing Joanna to show off her pert, kissable juggles, and to prove that this Lola is definitely *not* the movie version of the beloved Kinks song.

SEXBOMB (1989)

NUDES: Linnea Quigley, Della Sheppard, Nancy Bridgeford, Monique De Anna, Kim Scolari

THE SKINNY: *Sexbomb* (1989) slinks behind the (nude) scenes of a pair of horror flicks in the making, and uncovers a plot by the director's wife (Della Sheppard) to off her hubby as he shoots the blood-and-guts numbers. The play goes awry (of course) and the entire female cast frees itself of cumbersome wardrobe items (double of course). *Breast* of all, a deleted scene on the DVD serves up extra Linnea Quigley nipples. *Sexbomb* will set you off!

EXTRAS: Deleted scenes.

Snake Dancer (1976)

NUDE: Glenda Kemp

THE SKINNY: "Little girls shouldn't play with snakes!" So declares the tagline for the 1976 South African exploitation gem *Snake Dancer*. The good news, then, is that Glenda Kemp is all gloriously grown up...and out! In real life, Glenda was a Sunday school teacher turned exotic dancer who performed with numerous slithering reptiles, including boa constrictors and one gigantic python. *Snake Dancer* recreates Glenda's unforgettable, scaly—and scary—rise to power, and then substitutes a rather amusingly anticlimactic "shock" fall for the movie's so-called climax. *Snake Dancer* is a charmer, nonetheless.

EXTRAS: Documentary on South African cinema, interviews, essays, trailers.

Standing Still (2005)

NUDES: Eva Derrek, Carla Harvey, Nikki Schieler Ziering

THE SKINNY: Old college pals now pushing 30 converge on a California home as two of them prepare to be married in *Standing Still* (2005). The cast of near A-listers in this nouveau Big Chill includes Mena Suvari, Melissa Sagemiller and Adam Adams, who enjoys a scorching girl-girl make-out with Lauren German. Boob exposure arrives via Eva Derrek and Carla Harvey, whose characters are simply named "Hookers." Slightly more challenging is the role accorded to topless Nikki Schieler Ziering. She plays "Undercover Cop/Hooker." *Standing Still* will get you standing *erect*!

Under Lock and Key (1995)

NUDES: Trisha Berdot, Stephanie Ann Smith, Sai Tyler, Wendi Westbrook

THE SKINNY: A (way) latecomer to the Women In Prison genre, *Under Lock and Key* (1995) makes up for its lack of timeliness with an explosive abundance of bare female flesh. Wendi Westbrook portrays an undercover (and out of her prison-issue garb) FBI agent who goes behind bars in search of evidence hidden there by a drug pusher's girlfriend. What she finds, instead, are the requisite strip searches, group showers, butch-looking lesbian guards, pervy jailhouse doctors and pen-spawned pornography. All that great, predictably raunchy and over-the-top sexploitation stuff is essentially, sensually and memorably *Key*.

Vampire Sisters (2004)

NUDES: Syn DeVil, Jeannie Michelle Jameson, Isabelle Stephen

THE SKINNY: The voluptuous bloodsucking siblings of *Vampire Sisters* (2004) utilize all the latest trends and technology to practice both the world's oldest profession—and to slake their undying, unquenchable thirsts. Luring horny fools with a temptingly titillating website, these Nosferatu-style prostitutes take their customers' money, turn them on and then drain them dry. Finally, an undercover police team poses as a kink-seeking married couple and blows the lid off this tawdry operation. Each one of the gothy *glam-pires* gets nude, which is sure to put a velvety *skin-stake* throbbing in your pants!
